

An Instructor's Guide to *Old Yeller* by Fred Gipson

Note to Teachers

With *Old Yeller*, Fred Gipson secured his place as one of the finest novelists in America. The novel was published in 1956 to instant acclaim, with the *Chicago Sunday Tribune* raving, "Occasionally, but very rarely, one reads a book with the increasing certainty, as one turns the pages, that a classic is unfolding before one's eyes." And now, nearly half a century later, those prophetic words have more than been fulfilled— *Old Yeller* is a beloved classic about a boy and his dog that has been read and reread by countless people, young and old alike.

When Travis Coates's father goes on a cattle run with the other men of Salt Licks, Texas, Travis is left to take care of his mother, his little brother Arliss and their land and animals. It's a tall order for a fourteen-year-old boy, but Travis is determined to fill his father's shoes, at least temporarily. Not long after Travis's father leaves, a stray dog wanders onto the family's property, and despite his thieving ways, slowly makes himself a member of the family.

Travis, however, is not particularly welcoming to the "old yeller dog," and immediately tries to think of ways to get rid of him—in his mind the dog is nothing but a nuisance. As Travis goes about the daily chores on the ranch—hunting deer, milking the cows, and tagging the hogs, he begins to see that having a dog around can be quite a blessing. And then Old Yeller really proves himself: he saves Little Arliss from a frantic mama bear and her cub. From that point on Travis claims Old Yeller as his own and they become constant companions.

The adventures of Travis and Old Yeller, and their resulting friendship make for a colorful and poignant tale. Told in simple, straightforward, yet heartwarming prose, the novel explores the pure love and respect that can develop between a human being and an animal. Fred Gipson beautifully renders each scene and fills the novel with many important lessons about family, responsibility, respect for nature, and what it means to be an adult.

Old Yeller becomes such a faithful protector that he continually puts himself in danger in order to save Travis and the other family members from harm. He thwarts a group of crazed hogs, diverts the attention of a mad bull and cow, and as his last heroic effort, saves Mrs. Coates and a neighbor girl, Lisbeth, from the jaws of a rabid wolf. In fighting the wolf, however, Old Yeller gets bitten and is then in danger himself of becoming infected with rabies. Although Travis has killed other animals either for sustenance or in self-defense, he is soon faced with the horrible task of destroying the very animal that has saved all of their lives.

Devastated by what he has been called to do, Travis can barely muster any enthusiasm when his father returns with a brand new horse for him. When Mr. Coates hears the tale of Old Yeller, he reassures Travis that he did the right thing and reminds him that a man is often forced to make tough, sometimes painful decisions. Soon Travis realizes that he has indeed taken his first steps on his journey into manhood, and he allows his heart to open up to his new horse, and to the young pup that has also been given to him. Seeing Old Yeller in the pup renews Travis's spirit and he knows that he will always treasure the memory of his best friend even though he had to let him go.

A novel of beautiful simplicity and truth, *Old Yeller* is that rarest of stories—one that continues to entertain and touch the hearts of thousands of readers across many generations.

Questions for Classroom Discussion

1. At the beginning of the novel, Travis's father goes on a long journey and leaves instructions for Travis to take care of the family. Have you ever been in a situation where you had to take on that kind of responsibility? How did you feel about it? If you've never been in that situation, how do you think you would react? Do you think Travis does a good job?
