School Arts ,1986 **Industrial Education** ,1988 *China Doing Business for Everyone Guide - Practical Information and Contacts* IBP, Inc, Asia Electronics Industry ,2006 North Carolina English, 1861-1865 Michael E. Ellis,2024-01-12

In North Carolina English 1861 1865 Michael E Ellis offers an Oxford English Dictionary like take on regional language based on more than two thousand letters and diaries composed by North Carolinians during the Civil War These documents are part of a larger project the Corpus of American Civil War Letters CACWL aimed at locating photographing and transcribing letters written during the period from all parts of the country With little formal education the correspondents were men and women who wrote by ear often reproducing their spoken language through unconventional spellings and grammatical forms as well as regional or archaic words and usages The core of the book is an alphabetically arranged glossary of words and expressions characteristic of mid nineteenth century North Carolina each containing excerpts from the letters themselves to illustrate meaning and usage While the majority of the writers were Confederate soldiers and their family members the collection also includes letters from slaves former slaves and African Americans from North Carolina serving in the Union Army The soldiers letters rarely contain details about battles except to list the names of relatives or neighbors among the killed or wounded After a battle a soldier might simply write the Like of ded men an horses I never saw before or we hav lost a heap of men and kild a heap of yankeys As Joel Howard of Lincoln County wrote home in June 1863 I have bin in the ware and Saw the ware and heard tell of the ware till I have got tired of it if I Could get clear of this ware I neve r want to Read of A nother Food is perhaps the most common topic followed by illness Numerous terms relate to farming clothing religion and the effects of the war itself as well as entries for expressions that have long since disappeared from American English in the gants on the goose and up the spout In addition to the glossary Ellis offers an extensive overview of North Carolina English of the period delves into the social background of the letter writers and provides invaluable guidance to the ways in which Civil War letters should be read A unique window into a largely neglected corner of our extraordinarily rich and regionally distinct language this volume will prove an indispensable reference for scholars and students seeking to reconstruct the world of the common Civil War soldier

Across God's Frontiers Anne M. Butler,2012 Roman Catholic sisters first traveled to the American West as providers of social services education and medical assistance In Across God s Frontiers Anne M Butler traces the ways in which sisters challenged and reconfigured contemporary ideas **Sacred Starts** MD Sharr,101-01-01

The idea behind this book came from watching countless parents struggle to find the right name something not too common yet not so unusual that it becomes unrelatable something meaningful but also easy to pronounce across cultures and languages something spiritual but also timeless and fitting for today s generation Choosing a name in the Hindu tradition is often influenced by astrology religion family expectations linguistic beauty and even numerology Yet despite so many considerations what every parent truly seeks is a name that feels just right a name that instantly speaks to the heart This

book is created to support that journey of discovery We understand that choosing the right name can feel overwhelming at times but we want to assure you that you re not alone Sacred Starts is here to guide you with clarity warmth and careful research Every name in this book has been handpicked with thoughtfulness and wherever applicable we ve included meanings origins and contextual references so you can understand the story each name carries These names are not just labels they are carriers of tradition emotion and identity We also believe that there s nothing wrong with wanting your child to have a name that stands out A name can be a quiet whisper of uniqueness a gentle mark of individuality in a crowd Originality in naming is not about being odd it s about being authentic And authenticity requires attention care and yes sometimes a little extra research That s why this book goes beyond the usual and brings you a carefully curated blend of both classic and contemporary Hindu baby names

Dwell ,2007-02 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines

The Sheep and the Guardians Ahmed Amr,2009-06-04 In the wake of the Madoff scandal this compelling tale is a searing indictment of the SEC and FINRA regulators who allowed market manipulation and outright larceny to infest America s capital markets Against a backdrop of a traumatic financial meltdown a few tenacious Pro Se litigants drop in uninvited on the unfamiliar turf of a dysfunctional Bankruptcy Court in Wilmington Delaware Follow the author as he navigates an uncharted path through a financial and legal wilderness inhabited by Taiwanese syndicates Greenwich hedge funds Fifth Avenue bankruptcy lawyers and complicit regulators Along the way he is embraced by comrades who join him as he traverses the peaks and valleys of this improbable journey This quixotic account of how this band of brothers fought the good fight against the cabal of crooks that ripped them off reads like a John Grisham novel For some great court room drama this book is a must read As you turn the pages you will be astounded by the financial outrages that go unchallenged by our delinquent regulators and the permissive judiciary that allows corporate swindlers to cover up fraud by declaring bankruptcy
