overseer of a tobacco plantation's slaves. It's an unusual contract but one he feels suited for ensuring the slaves are safe, healthy, and happy as the London agent had very much understated it. After a trying time coming to Virginia, he finds himself torn between his new tasks and his conscience while adjusting to his new environment and watching over his twelve-year-old brother Oscar who stowed away on the ship and is now indentured to the same plantation. Due to his poor reputation built mostly on rumors few from Williamsburg to Jamestown want to work for Charles Philpot, and of those who do, he wouldn't want them to prefer requesting an indentured servant every seven years. Unlike the rumors, his reputation for getting what he wants without a care for whose feet he steps on or worse has been proven, and it's going to be proven again when he carries out his revenge against the tobacco plantation's slaves.

The growing bonds between Becky and William and the bond between Oscar and his pig **ABOUT THE SERIES** Following ten generations from the early eighteenth century to the early twentieth century, each stand-alone novel introduces old and new characters while mixing humor, romance, and pathos to tell a story of life and love in America.
