Excerpt from *The Golden Fleece* More *Old Greek Stories* To the lad Cretheus the youngest of the sons of Iolus all this seemed unbearable He missed the friends of former days He missed their loving service He shrank before the cold looks and harsh words that greeted him day by day At length he said to his brother the king I have no longer a home I would rather go out into the great woods and live with the wild things there than dwell in this cheerless place The face of Athamas grew black with anger and he answered Begone and be it so Go live With the wild things and let not to morrow s sun see you Within the city walls The young prince had no mind to disobey At the break Of day he set out to journey he knew not whither With a stout stick in his hand and his father s sword by his side he went forth to seek his fortune among strangers Yet no fear had he of the end for in those early days no man nor boy knew What fear was About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Old Greek Stories James Baldwin,2017-06-23 PERHAPS no other stories have ever been told so often or listened to with so much pleasure as the classic tales of ancient Greece For many ages they have been a source of delight to young people and old to the ignorant and the learned to all who love to hear about and contemplate things mysterious beautiful and grand They have

become so incorporated into our language and thought and so interwoven with our literature that we could not do away with them now if we would They are a portion of our heritage from the distant past and they form perhaps as important a part of our intellectual life as they did of that of the people among whom they originated That many of these tales should be read by children at an early age no intelligent person will deny Sufficient reason for this is to be found in the real pleasure that every child derives from their perusal and in the preparation of this volume no other reason has been considered I have here attempted to tell a few stories of Jupiter and his mighty company and of some of the old Greek heroes simply as stories nothing more I have carefully avoided every suggestion of interpretation Attempts at analysis and explanation will always prove fatal to a child's appreciation and enjoyment of such stories To inculcate the idea that these tales are merely descriptions of certain natural phenomena expressed in narrative and poetic form is to deprive them of their highest charm it is like turning precious gold into utilitarian iron it is changing a delightful romance into a dull scientific treatise Stories of Old Greece Emma M. Firth, 1895 **Old Greek Stories** James Baldwin, 2020-02-04 Greek Mythology Simplified For Kids And Curious Adults Perfect Gift For Kids By James Baldwin These are some of the greek mythology stories rewritten in a way that is done to be accessible to child and adult readers alike Which means they are simplified and not overly violent Very concise introduction to Greco Roman mythology with younger audience friendly tone of writing No analysis no comparative myths and not even reference to ancient works only storytelling Which in a strangely charming way makes it even more readable These stories are suitable for children which are pure and innocent These stories can teach them what is justice what is bravery how people work together how to regulate themselves to avoid acting like those bad people As an adult the stories are somewhat ideal and corny for me but wonderful stories they still are **The Golden Fleece** James Baldwin, 1905
