**STRENGTHS**—The book offers an up-to-date survey of the contemporary scene in Japan. It includes a list of Japanese companies, and a glossary of Japanese words. The book is written in a straightforward, clear style. It is well illustrated with photographs, and includes a map of Japan.

Although the agreement is largely non-environmental (i.e., it is a labor-management pact), it does include a number of provisions that will improve the lives of those workers who remain in the plant. Among them, it contains the following provisions: *Seniority*—The company will not lay off workers until they have been employed for at least 10 years. *Health Care*—The company will contribute to the cost of health care for its workers. *Education*—The company will contribute to the cost of education for its workers. *Training*—The company will contribute to the cost of training for its workers. *Wages*—The company will contribute to the cost of wages for its workers. *Benefits*—The company will contribute to the cost of benefits for its workers. *Retirement*—The company will contribute to the cost of retirement for its workers. *Pension*—The company will contribute to the cost of pension for its workers. *Life Insurance*—The company will contribute to the cost of life insurance for its workers. *Disability Insurance*—The company will contribute to the cost of disability insurance for its workers. *Unemployment Insurance*—The company will contribute to the cost of unemployment insurance for its workers. *Workers' Compensation*—The company will contribute to the cost of workers' compensation for its workers. *Other Provisions*—The company will contribute to the cost of other provisions for its workers.
