Oliver Twist Annotated: (Penguin Classics) Charles Dickens, 2020-10-28. A gripping portrayal of London's dark criminal underbelly published in Penguin Classics with an introduction by Philip Horne. The story of Oliver Twist, orphaned and set upon by evil and adversity from his first breath, shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters: the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master thief Fagin. Combining elements of Gothic Romance, the Newgate Novel, and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society and pervaded by an unforgettable sense of threat and mystery. This Penguin Classics edition of *Oliver Twist* is the first critical edition to faithfully reproduce the text as its earliest readers would have encountered it from its serialisation in Bentley's *Miscellany* and includes an introduction by Philip Horne, a glossary of Victorian thieves' slang, a chronology of Dickens's life, a map of contemporary London, and all of George Cruikshank's original illustrations. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

REATS OF THE PLACE WHERE OLIVER TWIST WAS BORN AND OF THE CIRCUMSTANCES ATTENDING HIS BIRTH Among other public buildings in a certain town which for many reasons it will be prudent to refrain from mentioning and to which I will assign no fictitious name there is one anciently common to most towns great or small to wit a workhouse and in this workhouse was born on a day and date which I need not trouble myself to repeat inasmuch as it can be of no possible consequence to the reader in this stage of the business at all events the item of mortality whose name is prefixed to the head of this chapter For a long time after it was ushered into this world of sorrow and trouble by the parish surgeon it remained a matter of considerable doubt whether the child would survive to bear any name at all in which case it is somewhat

more than probable that these memoirs would never have appeared or if they had that being comprised within a couple of pages they would have possessed the inestimable merit of being the most concise and faithful specimen of biography extant in the literature of any age or country Although I am not disposed to maintain that the being born in a workhouse is in itself the most fortunate and enviable circumstance that can possibly befall a human being I do mean to say that in this particular instance it was the best thing for Oliver Twist that could by possibility have occurred The fact is that there was considerable difficulty in inducing Oliver to take upon himself the office of respiration a troublesome practice but one which custom has rendered necessary to our easy existence and for some time he lay gasping on a little flock mattress rather unequally poised between this world and the next the balance being decidedly in favour of the latter Now if during this brief period Oliver had been surrounded by careful grandmothers anxious aunts experienced nurses and doctors of profound wisdom he would most inevitably and indubitably have been killed in no time There being nobody by however but a pauper old woman who was rendered rather misty by an unwonted allowance of beer and a parish surgeon who did such matters by contract Oliver and Nature fought out the point between them The result was that after a few struggles Oliver breathed sneezed and proceeded to advertise to the inmates of the workhouse the fact of a new burden having been imposed upon the parish by setting up as loud a cry as could reasonably have been expected from a male infant who had not been possessed of that very useful appendage a voice for a much longer space of time than three minutes and a quarter **Oliver**
