In Camera: How to Get Perfect Pictures Straight Out of the Camera Gordon Laing, 2020-03-05 With amazing low light capabilities, incredible definition, intelligent autofocus, and a host of other features, digital cameras have now become so powerful that they have left their users behind. Most photographers can take competent shots in a range of conditions or fix imperfect exposures in Photoshop or Lightroom, but very few have the skill to push their cameras to the limit and capture the perfect shot under all conditions with no post-processing required. *In Camera* is the perfect way to take your photography to that level to master your camera, understand light, exposure, and composition, and make amazing photographs whatever your camera without cheating after the event. One hundred of Gordon's beautiful photos are given with his own expert commentary; full settings and camera details are included, and a host of tips

and tricks let photographers of any level learn something from every example The shots are taken with a wide range of cameras and the emphasis is on getting results by improving your own skills not wasting money on expensive equipment
