

Guided Reading Activity 12-2

For use with textbook pages 294–300.

History and Government

Short Answer

DIRECTIONS: Use the information in your textbook to write a short answer to each of the following questions.

1. What physical features of Europe enabled its people to move easily beyond its borders to other parts of the world?

The closeness to the sea, large bodies of water around Europe, mountain passes

2. When did farming spread from Southwest Asia to southeastern Europe and then on to most of northern Europe?

By about 6000 BC

3. What linked the independent city-states of ancient Greece together?

Greek language and culture

4. What territories were included in the Roman Empire?

half of Europe, some of SW Asia, and North Africa

5. Why did western European armies fight in the Crusades?

To win Palestine, the birthplace of Christianity, from Muslim rule

6. Beginning in the 1400s, what European nations became active in developing sea-based trade with Africa, Asia, and the Americas?

England, France, and the Netherlands

7. By 1990, what important changes in the form of governments had occurred throughout much of Europe?

Democracy

Most European countries had constitutions that limited rulers' powers and guaranteed at least some political rights to citizens

8. What conditions enabled dictators like Benito Mussolini and Adolph Hitler to gain control of Italy and Germany, respectively?

Large number of unresolved political problems from WWI and a worldwide economic depression

9. Why did East Germany construct the Berlin Wall in 1961 during the Cold War?

To stop East Germans from fleeing to escape communism

10. What was the goal of the European Union, which was created in the 1990s?

A united Europe / goods, services, and workers could move freely among member countries

Magruder's American Government Guided Reading and Review Workbook Student Edition 2003c William A. McClenaghan, 2002-05-15 High School Hailed as a stellar educational resource for nearly a century Magruder's American Government is updated annually to meet the changing needs of today's high school students and teachers The program's engaging narrative is enhanced with numerous primary sources political cartoons charts graphs and photos making the structure and principals of government accessible and motivating to students of all abilities World History Larry S. Krieger, Kenneth Neill, Steven L. Jantzen, 1994-02 *Call to Freedom* Holt Rinehart & Winston, Holt, Rinehart and Winston Staff, 2002-02 **World Cultures & Geography: Western Hemisphere and Europe** ,2002-04-16 **American Republic Since 1877, Teaching Strategies for American History Classroom, Including Block Scheduling** McGraw-Hill Staff, 2002-08 America Pathways to the Present ,1995 **Daughters of the American Revolution Magazine** ,1920

After the American Century Brian T. Edwards, 2015-12-01 When Henry Luce announced in 1941 that we were living in the American century he believed that the international popularity of American culture made the world favorable to U S interests Now in the digital twenty first century the American century has been superseded as American movies music and video games are received understood and transformed How do we make sense of this shift Building on a decade of fieldwork in Cairo Casablanca and Tehran Brian T Edwards maps new routes of cultural exchange that are innovative accelerated and full of diversions Shaped by the digital revolution these paths are entwined with the growing fragility of American soft power They indicate an era after the American century in which popular American products and phenomena such as comic books teen romances social networking sites and ways of expressing sexuality are stripped of their associations with the United States and recast in very different forms Arguing against those who talk about a world in which American culture is merely replicated or appropriated Edwards focuses on creative moments of uptake in which Arabs and Iranians make something unexpected He argues that these products do more than extend the reach of the original They reflect a world in which culture endlessly circulates and gathers new meanings **History of the United States** Thomas V. DiBacco, 1991-07

American Vision, Unit 5 Resources McGraw-Hill Staff,2002-04 *The Oregon Trail* Karen Bush Gibson,2017-10-15

Westward ho If you travel across certain parts of the United States you can still see wagon wheel ruts where people crossed the west in search of more opportunity and better lives more than 200 years ago The Oregon Trail The Journey Across the Country from Lewis and Clark to the Transcontinental Railroad offers readers ages 9 to 12 a fascinating look at the explorers and settlers who traveled this route during the westward expansion of the United States When America received its independence in 1776 the new country was made up of 13 colonies that became the United States of America European immigrants continued to arrive in the new country eager to make new lives for themselves and their families By 1803 there were 17 states and a need for even more space The United States doubled its land area with the Louisiana Purchase in 1803 President Thomas Jefferson commissioned the Corps of Discovery to explore and map a territory that had only been seen by fur trappers and the Native Americans who lived there The expedition into the American west more popularly known as the Lewis and Clark expedition left from Independence Missouri for more than two years of exploration that produced a route for American settlers to take The route was the Oregon Trail also known as the Oregon and California Trail In The Oregon Trail The Journey Across the Country from Lewis and Clark to the Transcontinental Railroad readers ages 9 to 12 can delve into the explorations of Meriwether Lewis and William Clark and other explorers They can learn about the more than half a million people who followed during the nineteenth century What challenges did these pioneers face on the 2 170 mile journey How were Native American tribes and nations affected by this mass migration Primary sources allow readers to feel like a part of the Oregon Trail experience while biographical sidebars will introduce the compelling people who were part of this time in U S history Investigative hands on projects and critical thinking activities such as writing a treaty and researching artistic impressions of the Oregon Trail invite readers to further their understanding of life on the trail early towns and forts and the Transcontinental Railroad that followed the wagons into new lands and territories that would eventually become states **Friends' Weekly Intelligencer** ,1895 **The Bicentennial of the United States of America** American Revolution Bicentennial Administration,1977 *The Unsettlement of America* Anna Brickhouse,2015 The Unsettlement of America explores the career and legacy of Don Luis de Velasco an early modern indigenous translator of the sixteenth century Atlantic world who traveled far and wide and experienced nearly a decade of Western civilization before acting decisively against European settlement The book attends specifically to the interpretive and knowledge producing roles played by Don Luis as a translator acting not only in Native European contact zones but in a complex arena of inter indigenous transmission of information about the hemisphere The book argues for the conceptual and literary significance of unsettlement a term enlisted here both in its literal sense as the thwarting or destroying of settlement and as a heuristic for understanding a wide range of texts related to settler colonialism including those that recount the story of Don Luis as it is told and retold in a wide array of diplomatic religious historical epistolary and literary writings from the middle of the

sixteenth century to the middle of the twentieth Tracing accounts of this elusive and complex unfounding father from the colonial era as they unfolds across the centuries The Unsettlement of America addresses the problems of translation at the heart of his story and speculates on the implications of the broader transhistorical afterlife of Don Luis for the present and future of hemispheric American studies **In League Against King Alcohol** Thomas J. Lappas,2020-02-13 Many Americans are familiar with the real but repeatedly stereotyped problem of alcohol abuse in Indian country Most know about the Prohibition Era and reformers who promoted passage of the Eighteenth Amendment among them the members of the Woman s Christian Temperance Union But few people are aware of how American Indian women joined forces with the WCTU to press for positive change in their communities a critical chapter of American cultural history explored in depth for the first time in In League Against King Alcohol Drawing on the WCTU s national records as well as state and regional organizational newspaper accounts and official state histories historian Thomas John Lappas unearths the story of the Woman s Christian Temperance Union in Indian country His work reveals how Native American women in the organization embraced a type of social economic and political progress that their white counterparts supported and recognized while maintaining distinctly Native elements of sovereignty self determination and cultural preservation They asserted their identities as Indigenous women albeit as Christian and progressive Indigenous women At the same time through their mutual participation white WCTU members formed conceptions about Native people that they subsequently brought to bear on state and local Indian policy pertaining to alcohol but also on education citizenship voting rights and land use and ownership Lappas s work places Native women at the center of the temperance story showing how they used a women s national reform organization to move their own goals and objectives forward Subtly but significantly they altered the welfare and status of American Indian communities in the early twentieth century Resources in Education ,1998-05 Christian Nation ,1905
