Rains Of The Spirit David Oyedepo:

David Oyedepology: the a - Z Adventure of Faith of the Billionaire Bishop Olajide Olaopa, 2014-01-09 Bishop David Oyedepo is understood and misunderstood by different people for different reasons This book provides a better independent real life account of the mystery behind the mastery of this global Christian gospel phenomenon and his pace setting undeniable world class superlative successes in the midst of deep multidimensional national poverty within his home country

Iroro ,2001 Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle *Nigerian Pentecostalism and Development* Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

Charismatic Renewal and Pentecostalism Isidore Iwejuo Nkwocha, 2021-09-30 The Holy Spirit is a sine qua non in the life of the church and in all Christian life and experience The importance of the experiential and praxis oriented theology of the Charismatic Renewal and Pentecostalism cannot be overemphasized in the realization of the potentials of a Spirit animated church In fact Charismatic Renewal in the Nigerian Catholic Church is an essential part of the changing face of the Catholic Church in Nigeria This work is therefore using Charismatic and Pentecostal theology and praxes to argue for the renewal of

the Nigerian Catholic Church It avers that the praxis oriented and experiential theology of the Charismatics and Pentecostals which characterize them as Spirit filled groups and churches are enabling the Nigerian Catholic Church to realize the potentials of a Spirit driven church It upholds that the Nigeria Catholic Church through the Nigerian Catholic Charismatic Renewal which is an indispensable part of the changing face of the Catholic Church in Nigeria has wittingly or unwittingly begun the renewal of her pneumatological ecclesiological and liturgical doctrines and practices in accord with those of a truly Spirit animated church

Rage and Carnage in the Name of God Abiodun Alao,2022-07-11 In *Rage and Carnage in the Name of God* Abiodun Alao examines the emergence of a culture of religious violence in postindependence Nigeria where Christianity Islam and traditional religions have all been associated with violence He investigates the root causes and historical evolution of Nigeria s religious violence locating it in the forced coming together of disparate ethnic groups under colonial rule which planted the seeds of discord that religion elites and domestic politics exploit Alao discusses the histories of Christianity Islam and traditional religions in the territory that became Nigeria the effects of colonization on the role of religion the development of Islamic radicalization and its relation to Christian violence the activities of Boko Haram and how religious violence intermixes with politics and governance In so doing he uses religious violence as a way to more fully understand intergroup relations in contemporary Nigeria

An Eyewitness Remembers the Century of the Holy Spirit Vinson Synan,2010-04-01 Premier Pentecostal historian Vinson Synan shares for the first time his engaging personal assessment of and involvement in the extraordinary events of the last 100 years that gave birth to the charismatic and Pentecostal movements Because of his unique position and participation in most of these events Synan offers a rare and fascinating behind the scenes look at the phenomenal events that took place when the Holy Spirit fell at Azusa Street the subsequent formation of the Pentecostal denominations the surprising birth of the charismatic renewal the emergence of charismatic Catholicism the Toronto Blessing and beyond Because Synan is so widely respected across denominational lines for his scholarship and balance his candid eyewitness memoir will rivet all who walk in the fullness of the Holy Spirit as well as professors students and curious onlookers A once in a lifetime perspective
