Transforming Literacy Curriculum Genres Christine C. Pappas, Liliana Zecker, 2005-05-18

Co-authored by university and teacher researchers, this book focuses on the urban elementary teacher researchers' year-long inquiries around literacy topics and on the process of their journeys to create organized literacy instruction curriculum genres.

Guided Reading Mary Browning Schulman, Carleen daCruz Payne, 2000

Ideas, resources, and a list of children's books that can be used to implement guided reading.

Discovering Children's Literature Judith Hillman, 1995

A concise introduction to the world of literature for infants, children, and adolescents, this popular book taps the work of well-known scholars to provide its foundation in genre theory while clearly relating the books it recommends to practical teaching applications. After first defining literature and literacy and examining relevant aspects of children's development, the author explores each of the traditional literature genres in turn and provides a firm structure for evaluation that will serve future teachers well as they approach any form of literature. Each chapter asks the student for reflections, opinions, and participation through suggested projects and activities.
