Rape Kit Need To Know:

Rape Kit E. Black, 2014-10-20 The Rape Kit is not a reference for law enforcement criminal investigators attorneys or medical practitioners wanting more in depth information on forensics The Rape Kit is not a textbook The Rape Kit is a helpful guide written for every woman young or old who needs to know one thing or a lot more about rape The Rape Kit tests for diseases and their resulting health problems that the victim may be largely unaware of unless she seeks medical attention after a rape and gives her consent for a Rape Kit The Rape Kit has a section on the identifying personality traits and behaviors that college women should be on the lookout for The Rape Kit lists the date rape drugs explaining the effects and giving street names while providing some simple precautions when drinking socially The Rape Kit contains a Toxicology kit to determine the presence of these substances The Rape Kit examines women s struggles with domestic violence and presents this important issue powerfully yet in an understandable way The Rape Kit s findings cannot be used to discriminate on the basis your race religion ethnic origin or mental or physical disability The Rape Kit methodically chronicles the abuse and provides a silent testimony that serves to shift the focus from who is at fault to the physical evidence of domestic violence and sexual assault The Rape Kit is the evidence for women whose age makes them more likely to deny what happened or feel that they won t be believed The Rape Kit provides irrefutable proof of the crime of rape and the statistical results are a clear call to action to protect the rights of women and girls

Rape by the Numbers Ethan Czuy Levine, 2021-09-17 Science plays a substantial though under acknowledged role in shaping popular understandings of rape Statistical figures like 1 in 4 women have experienced completed or attempted rape are central for raising awareness Yet such scientific facts often become points of controversy particularly as conservative scholars and public figures attempt to discredit feminist activists Rape by the Numbers explores scientists approaches to studying rape over more than forty years in the United States and Canada In addition to investigating how scientists come to know the scope causes and consequences of rape this book delves into the politics of rape research Scholars who study rape often face a range of social pressures and resource constraints including some that are unique to feminized and politicized fields of inquiry Collectively these matters have far reaching consequences Scientific projects may determine who counts as a potential victim survivor or aggressor in a range of contexts shaping

research agendas as well as state policy anti violence programming and services and public perceptions Social processes within the study of rape determine which knowledges count as credible science and thus who may count as an expert in academic and public contexts Ensuring the Effective Use of DNA Evidence to Solve Rape Cases Nationwide United States. Congress. Senate. Committee on the Judiciary,2010 Dubcon Milena Popova,2021-10-05 How the treatment of sexual consent in erotic fanfiction functions as a form of cultural activism Sexual consent is at best a contested topic in Western societies and cultures The MeToo movement has brought public attention to issues of sexual consent revealing the endemic nature of sexual violence Feminist academic approaches to sexual violence and consent are diverse and multidisciplinary and yet consent itself is significantly undertheorized In Dubcon Milena Popova points to a community that has been considering issues of sex power and consent for many years writers and readers of fanfiction Their nuanced engagement with sexual consent Popova argues can shed light on these issues in ways not available to either academia or journalism Popova explains that the term dubcon short for dubious consent was coined by the fanfiction community to make visible the gray areas between rape and consent for example in situations where the distribution of power may limit an individual's ability to give meaningful consent to sex Popova offers a close reading of three fanfiction stories in the Omegaverse genre examines the arranged marriage trope and discusses the fanfiction community's response when a sports star who was a leading character in RPF real person fiction was accused of rape Proposing that fanfiction offers a powerful discursive resistance on issues of rape and consent that challenges dominant discourses about gender romance sexuality and consent Popova shows that fanfiction functions as a form of cultural activism **The Increased Importance of the Violence Against Women Act in a Time of Economic Crisis** United States.
