broad appeal and impact of farmers markets community supported agriculture programs and food hubs which combine produce from small farms into quantities large enough for institutions like schools and restaurants After decades of wanting food in greater quantities cheaper and standardized Americans now increasingly look for quality and crafting Grocery giants have responded by offering simple and organic food displayed in folksy crates with seals of organizational approval while only blocks away a farmer may drop his tailgate on a pickup full of freshly picked sweet corn At the same time easy up umbrellas are likely to unfurl over multi generational farmers markets once or twice a week in any given city or town Drawing on prodigious fieldwork and research experts Jennifer Meta Robinson and James Robert Farmer unlock the passion for and promise of local food movements show us how they unfold practically in towns and on farms and make a persuasive argument for how much they deeply matter to all of us The Study Skills Box Set Fiona McPherson, The Study Skills Box Set contains 4 books from Dr McPherson s Study Skills series Effective note taking 3rd ed Mnemonics for Study 2nd ed How to Revise and Practice 2nd ed Successful Learning Simplified A Visual Guide Library Resource Guide ,2005 **Key Theories and Skills in Counselling Children and Young People** Rebecca Kirkbride,2021-05-19 This book provides a highly accessible skills focused entry point to the interventions techniques strategies and core knowledge you need to work with children and young people Divided into four parts it covers Core Knowledge Understanding Development from 0 18 years Key Skills The Therapeutic Process Key Skills Interventions Techniques Strategies Key Considerations Contexts Client Groups Its bite sized entries include suggested additional resources to help you explore the topic further and throughout the book you will find case studies and exercises to aid your understanding This book is ideal for mental health and therapy trainees and practitioners who need a foundation in working with children and young people Cop Cop Mac Muir,Greg Finch,2025-04-29 In the vein of Evicted and Locking Up Our Own comes a seminal work that delves deep behind the Thin Blue Line of policing and police misconduct to demonstrate what really goes on when you try to hold the police accountable How often do you think about the police Who do you think of Columbo Chief Wiggum Derek Chauvin Do you think of just one officer or do you think of the police as an institution From movies and television to everyday life a police presence looms over most conflict Today we know this to be most true for Black Americans for whom the suspense of policing is constant And too often the argument over dinner devolves into a 9 1 1 call blue and red lights and possibly a door rammed open Some of us are watched by the police and others are chased But if there was a defining feature of the 2020 protests over the murder of George Floyd it was the collective confusion about how we got to this point Policing it seemed had become as ahistorical as it was brutal Despite fragmented coverage about police unions militarization and systemic racism America remained hazy on the details of what cops had been doing all along There is a Blue Wall and ways to get behind it The authors of this book Anon 1 and Anon 2 are senior investigators of a government agency tasked with policing the police in New York City They re our eyes on the inside and this book will take us into their world COP COP follows the web of real cases that the authors

investigated over several years inside the Civilian Complaint Review Board As they investigate everything from offensive language and chokeholds to shootings the larger investigation builds into their argument for six simple solutions to fix American policing Readers will come away with a new vantage point as well as the tools of an investigator By combining their unique perspectives as police misconduct investigators with a synthesized history of policing this book offers newfound insights into what policing really looks like what the problems are and what practical steps are necessary to create a criminal justice system that is truly just
