

One day, a handsome prince fell in love with Rapunzel and he visited the witch every day to see her.

When the witch started, she would call to Rapunzel to let down her hair, and the witch would climb up.

When Rapunzel grew up, the witch was angry because she was in the middle of the forest. While she was there, she was alone.

When the little girl was born, the witch took her away and named her Rapunzel.

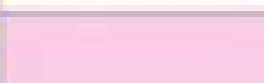

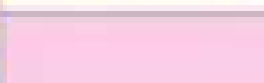

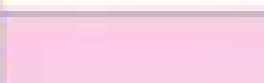

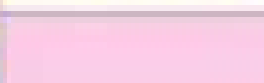

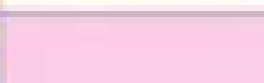

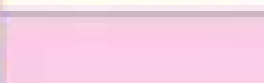

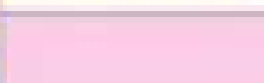

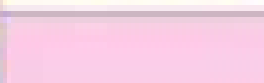

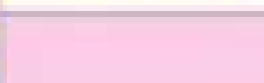

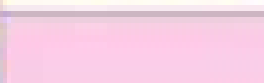

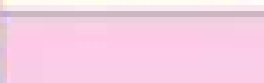

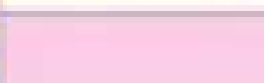

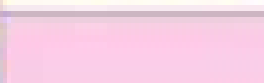

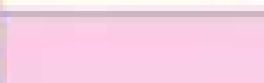

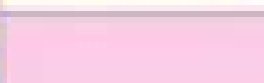

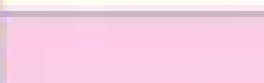

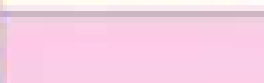

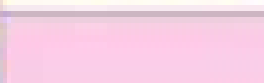

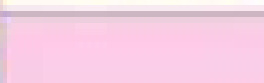

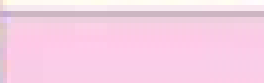

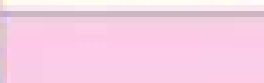

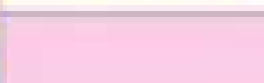

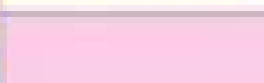

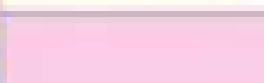

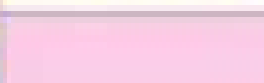

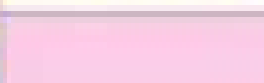

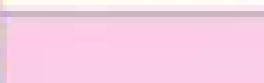

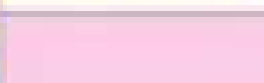

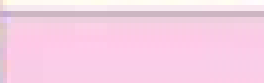

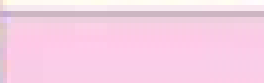

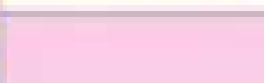

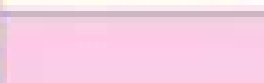

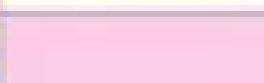

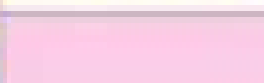

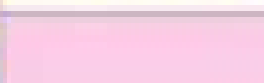

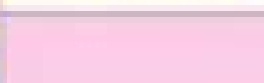

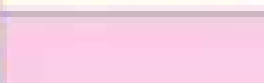

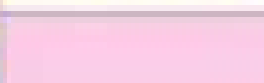

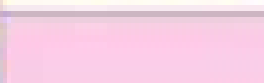

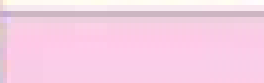

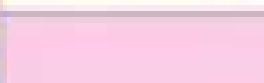

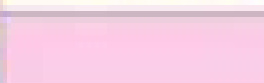

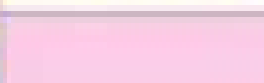

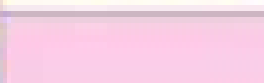

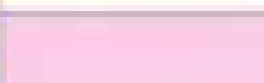

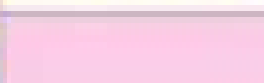

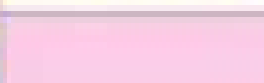

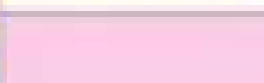

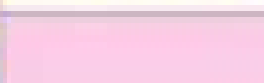

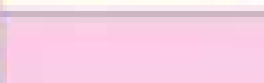

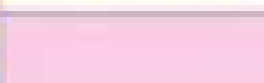

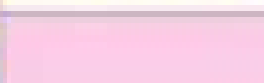

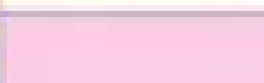

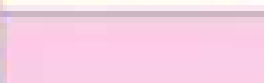

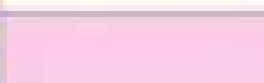

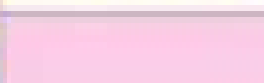

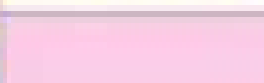

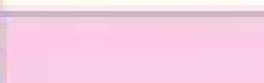

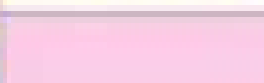

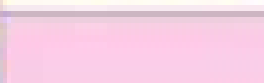

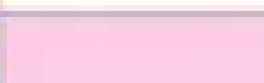

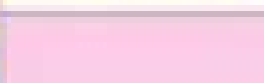

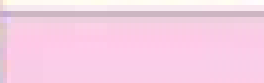

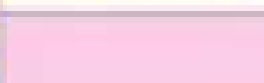

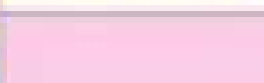

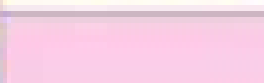

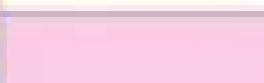

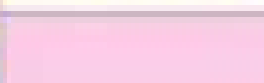

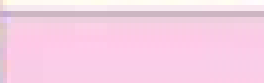

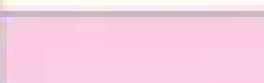

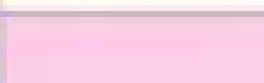

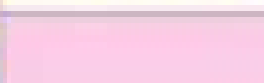

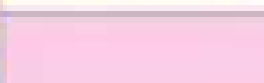

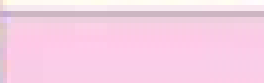

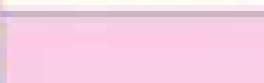

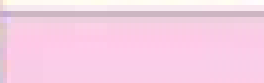

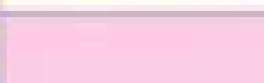

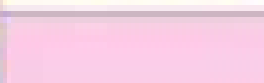

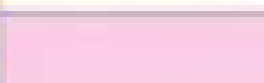

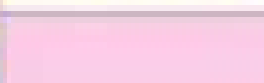

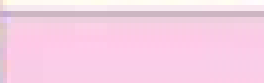

The witch told the husband that if he must give the witch the hair, she would give him a magic mirror.

One day, the husband decided to steal some of the lettuce for his wife. The witch caught him.

The wife forgot to use the lettuce.

Once upon a time, there lived a man and his wife. They lived in a house near a witch.
