*Assessing Dangerousness, Third Edition*

Jacquelyn C. Campbell, Jill Messing, 2017-03-17 Practitioners in the social behavioral and health fields often work with perpetrators and survivors of interpersonal violence. Many are asked to make predictions about the likelihood of future violence. *Assessing Dangerousness* reviews the intricacies of predicting intimate partner violence and homicide as well as child abuse and homicide to better prepare readers to make such assessments. Extensively revised, this classic volume highlights the latest research in clear and accessible language. Each contributor, a noted expert in their field, has faced the difficult task of assessing the risk of intimate partner violence and child abuse in courtrooms, clinics, shelters, hospitals, schools, and more. Their experience in research and practice makes this the go-to resource for anyone required to make predictions about violent behavior in family settings. *Assessing Dangerousness*, Third Edition, presents clinical and court examples requiring the assessment of risk and danger that appeals to practitioners in social work, psychology, nursing, counseling, criminology, and public health. Introduces an evidence-based approach that practitioners can use to integrate risk assessment in a variety of settings. Covers the latest risk assessment instruments for use in the field, including the Danger Assessment, the DVSI-R, and the ODARA. Highlights the newest and most promising applications of risk assessment, such as the Maryland Network Against Domestic Violence Lethality Assessment Program. Synthesizes related legal and ethical issues to help practitioners implement risk assessment in a responsible way. Identifies prediction factors and risk markers for use in interventions. Exposes the overlap between child and intimate partner homicide, instrumental in identifying families with multiple risks. Presents the latest research on the risk of re-assault in intimate partner violence and risk over the life course. Reviews the latest version of Dr. Campbell's Danger Assessment, the most widely used homicide risk assessment instrument for intimate partner violence survivors. Introduces two new authors in the chapters on child abuse lethality assessments and risk of IPV, exposing readers to the rising stars in the field.

**Current Catalog** National Library of Medicine (U.S.), First multi-year cumulation covers six years 1965-70. *Clinical Assessment of Malingering and Deception, Third Edition* Richard Rogers, 2008-05-21 Widely regarded as the standard reference in the field, this book provides essential tools for understanding and assessing malingering and other response styles in forensic and clinical contexts. An integrating theme is the systematic application of detection strategies as conceptually grounded, empirically validated methods that bridge different measures and populations. Special topics include considerations in working with children and youth. From leading practitioners and researchers, the volume reviews the scientific knowledge base and offers best practice guidelines for maximizing the accuracy of psychological and psychiatric evaluations.

**Recording for the Blind & Dyslexic, ... Catalog of Books**, 1996. *Oxford Handbook of Personality Assessment* James N. Butcher, 2009-07-14 Oxford Handbooks offer authoritative and up-to-date reviews of original research in a particular subject area. Specially commissioned chapters from leading figures in the discipline give critical examinations of the progress and direction of debates as well as a foundation for future research. Oxford Handbooks provide scholars and graduate students with compelling new perspectives upon a wide

range of subjects in the humanities social sciences and sciences As one of psychology's oldest fields personality assessment is one of the most extensively studied subsets of contemporary psychology The Oxford Handbook of Personality Assessment synthesizes new and existing literature with clinical practice to provide a comprehensive volume on contemporary personality assessment including its historical developments underlying methods applications contemporary issues and assessment techniques This handbook part of the Oxford Library of Psychology addresses both the historical roots of personality assessment and the evolution of its contemporary methodological tenets thus providing a foundation for the handbook's other innovative focus the application of personality assessment in clinical personnel and forensic assessments With a wealth of respected international contributors and unequalled breadth of content the Oxford Handbook of Personality Assessment offers an authoritative and field encompassing resource for researchers and clinicians from across the medical health and psychology disciplines i.e. clinical psychology psychiatry and social work and would be an ideal text for any graduate course on the topic of personality assessment

**Female Sexual Predators** Karen A. Duncan, 2010-07-20 This unprecedented look at female sexual predators explains why and how they prey on our children and youths and what adults and children and youths themselves should understand to prevent victimization In *Female Sexual Predators: Understanding and Identifying Them to Protect Our Children and Youths* social worker and therapist Karen A. Duncan helps adults be proactive so children will not fall prey to this violation Vignettes pulled from news headlines and interviews with female sexual predators Duncan has encountered in her own practice are used to help readers understand these crimes and the women who commit them as well as the impact these crimes can have on victims The women profiled were in positions of authority at churches schools sports institutions and the home Victims explain how these women exploited their positions of trust planned their crimes groomed their victims deceived adults into not detecting their behavior and how they did not stop even when they recognized the danger and the harm to themselves and their victims Duncan addresses the issue of maternal sexual abuse answering questions about mothers who willingly sexual abuse their own children and at times commit child sexual abuse with other adults as well as women who sexually abuse girls Four types of female sex offenders are presented within the emerging research on this topic along with questions regarding assessment treatment and management of female sex offenders in the community It also addresses the controversial issues of female pedophilia and female sexual deviance within the context of what we know about human sexuality

*Engendering Psychology* Florence Denmark, Vita Carulli Rabinowitz, Jeri A. Sechzer, 2016-01-08 *Engendering Psychology's* treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and

their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category      Adolescent Psychiatry, V. 29 Lois T. Flaherty, 2013-09-05 A special section on adolescent substance abuse highlights Volume 29 of Adolescent Psychiatry Contributions range from an examination of brain myelination in relation to onset of addictive disorders Bartzokis to the screening instruments used to detect substance use disorders Rosner to practical aspects of psychiatric assessment and management of substance abusing adolescents Havivi Topical studies focus on the changing patterns of use and health risks of the designer drug Ecstasy Grob the club drugs gamma hydroxybutyrate and ketamine Miotto et al and adolescent pathological gambling a behavioral disorder with strikingly addictive features Taken together these illuminating essays converge in an appreciation of adolescent substance abuse and addiction in all their biopsychosocial complexity Elsewhere in Volume 29 contributors review neuroimaging studies in an effort to shed light on adolescent psychiatric disorders Day et al reevaluate the construct of borderline personality disorder as it pertains to adolescence Becker Paris and present the encouraging results of a pilot project on the psychodynamic psychotherapy of adolescents with panic disorder Milrod et al A case series on the treatment of hospitalized adolescents who deliberately ingest foreign objects Petti et al and a case study of the cross cultural issues that arose in the therapy of an Asian American adolescent Shen et al enlarge the clinical and cultural scope of the volume True to the legacy of previous volumes in the series Volume 29 of Adolescent Psychiatry brings within its purview all the elements of a multidimensional grasp of adolescent development psychopathology and treatment Neuroscientific findings empirical clinical studies case series and descriptions of clinical approaches all take their place in this illuminating and richly textured collection      *Introduction to Psychology* James W. Kalat, 2005      *Cognitive-Behavioral Strategies in Crisis Intervention, Third Edition* Frank M.
