Her Wolves, Their Bear (BBW Paranormal Romance, Shifter Romance) Gabrielle R. Demonico, 2013-05-26 In her young life Jessi Wilder had always been surrounded by the same Same scenery Same friends Same thing every day And for the most part that was fine with her After all bear shifters were a peaceful bunch who only wanted to live and let live Yet something always gnawed at the curvy young woman The truth was that deep inside she yearned for the different Different sights Different scents Different men But when different made its sudden appearance one day in the form of two mysterious and sexy strangers Jessi s world of sameness threatened to unravel Helpless to avoid their pursuit of her Jessi soon discovers that her desire for the different and wild things of the world has its consequences both good and bad For Jessi different will never be the same again An Excerpt from the Book She looked at him in silence To call this unfamiliar territory for her would be the understatement of a lifetime It was clear to Daryn that his confession had caught her off guard In an effort to erase any ambiguity from her mind he quickly said Jessi right now there is nothing more in this life that I desire more than you But I cannot take you unless you consent to Theo as well Therefore if you are unsure please tell me before it is too late Once we have bonded what is forged between us cannot be undone Your consent to me is your consent to him to us But this is not the way of my kind Never have I heard of such a thing among my people I m just confused Jessi inside we are all of the same kind The only thing that separates us are varying degrees of teeth and fur and chance of birth Love has no species or arbitrary customs It is the only pure thing that we all share Love she whispered **SHIFTER: Black Bear** Emerald
