Ravished By Legendary Beasts English Edition:

Works, in an English Translation Anatole France,1924 **The Works of Anatole France in an English Translation** Anatole France,1924 *Classical Myths and Legends in the Middle Ages and Renaissance* H. David Brumble,1998-02 While numerous classical dictionaries identify the figures and tales of Greek and Roman mythology this reference book explains the allegorical significance attached to the myths by Medieval and Renaissance authors Included are several hundred alphabetically arranged entries for the gods goddesses heroes heroines and places of classical myth and legend Each entry includes a brief account of the myth with reference to the Greek and Latin sources The entry then discusses how Medieval and Renaissance commentators interpreted the myth and how poets dramatists and artists employed the allegory in their art Each entry includes a bibliography and the volume concludes with appendices and an extensive bibliography of primary and secondary sources *Autobiography of a Werewolf Hunter Trilogy* Brian P. Easton,2016-09-20 It takes more than silver bullets to kill a werewolf This is an omnibus edition of the three books in the Autobiography of a Werewolf Hunter trilogy Sylvester James knows what it is to be haunted His mother died giving birth to him and his father never let him forget it until the night he was butchered by a werewolf Alone in the world Sylvester is taken in by Michael Winterfox a Cheyenne mystic Winterfox once a werewolf hunter trains the boy to be a warrior teaching him how to block out pain stalk fight and kill Bit by bit all that makes Sylvester human is sacrificed to the hunt Now Sylvester s hatred has become a monster all its own robbing him of conscience and conviction as surely as the Beast s bite As he follows his vendetta into the outlands of the occult options become scarce And he learns it takes more than silver bullets to kill a werewolf to kill a werewolf it takes a hunter with a perfect willingness to die This edition features the previously published Autobiography of a Werewolf Hunter Heart of Scars and The Lineage in Brian P Easton s Autobiography of a Werewolf Hunter trilogy [The Italian Chapel, Orkney](#) Donald S. Murray,2017-07-05 Thousands of visitors go to the Italian Chapel in Orkney every year witnesses to a series of remarkable acts of transformation Among these are the Churchill Barriers nearby straddling the ocean to link a number of Orkney s southernmost islands to its mainland Constructed to protect Britain s naval fleet in Scapa Flow during World War Two its builders included a group of Italian soldiers imprisoned in this bleak and windswept part of Scotland In the course of this they not only played a part in changing Orkney s way of life forever but also transformed a simple Nissen Hut constructing through their labours a place of worship that still stands till this day a remarkable symbol of their identity and faith The Italian Chapel Orkney tells the story of the strength and tenacity laughter and tears of the men who built the Italian Chapel showing how spirits defeated and despondent during years of exile were lifted by its creation It does this with its own artistry and grace using folk tale and myth to provide a fitting counterpart to the wonder and beauty of the building that inspired it **Ecofeminism, Second Edition** Carol J. Adams,Lori Gruen,2021-12-16 This new edition of Ecofeminism Feminist Intersections with Other Animals and the Earth begins with an historical grounding overview that

situates ecofeminist theory and activism within the larger field of ecocriticism and provides a timeline for important publications and events Throughout the book authors engage with intersections of gender sexuality gender expression race disability and species to address the various ways that sexism heteronormativity racism colonialism and ableism are informed by and support animal oppression This collection is broken down into three separate sections Affect includes contributions from leading theorists and activists on how our emotions and embodiment can and must inform our relationships with the more than human world Context explores the complexities of appreciating difference and the possibilities of living less violently Climate new to the second edition provides an overview of our climate crisis as well as the climate for critical discussion and debate about ecofeminist ideas and actions Drawing on animal studies environmental studies feminist gender studies and practical ethics the ecofeminist contributors to this volume stress the need to move beyond binaries and attend to context over universal judgments spotlight the importance of care as well as justice emotion as well as reason and work to undo the logic of domination and its material implications

Monsters of Our Own Making Marina Warner, 2007-02-23 In *Monsters of Our Own Making* Marina Warner explores the dark realm where ogres devour children and bogeymen haunt the night She considers the enduring presence and popularity of male figures of terror establishing their origins in mythology and their current relation to ideas about sexuality and power youth and age

Animals in Stone Alexandra van der Geer, 2008-10-31 The art history of South Asia covers a time span of roughly four and a half thousand years During this period a vast number of animal stone sculptures has been produced ranging from the pre historic period till today and covering a great variety of motifs and imagery in different regions and religious traditions Even so the number of studies devoted to these animal sculptures has remained extremely limited The present book aims at filling this knowledge gap With this richly illustrated book the first of its kind Van der Geer offers a comparative study of the ways in which various animals have been depicted and a lucid analysis of the sculptors treatment of their models living animals The art history of sculptured animals is contextualized with a description of the use of animals as can be read from ancient texts archaeological evidence and contemporaneous culture In doing so parallels as well as differences in style or iconography are highlighted elucidating the variety of animal depictions across regions religious contexts and through time The corpus of discussed material ranges from Indus seals stupa panels and railings monumental temples from North and South India non religious palace and fort architecture to loose sculptures in museum collections
