The Battle of the Century Jim Waltzer,2011-05-04 This exciting account of the 1921 heavyweight boxing title fight between champion Jack Dempsey and Frenchman Georges Carpentier relates how it originated and how it became a template for modern sports promotion Immortalized as the battle of the century by Ring Lardner the Dempsey Carpentier heavyweight

title bout marked America's first experience with the intersection of show business, high society politics and the underworld at a single sporting event. *The Battle of the Century*, Dempsey, Carpentier and the Birth of Modern Promotion offers the definitive history of this landmark event's genesis and impact. To explain why the fight had such a far-reaching influence on mass entertainment and modern culture, newspaperman Jim Waltzer invites readers to travel the path to the 1921 heavyweight championship. Along the way, they will meet a cast of outsize characters including the savage defending champion and alleged World War I slacker Jack Dempsey, French pretty boy war hero Georges Carpentier, promoter Tex Rickard, Dempsey's slippery manager Doc Kearns and Jersey City boss Frank Hague. As the tale unfolds, so does an understanding of the forces that shaped the Roaring Twenties and established promotional hype as the MO of business.

"The" Illustrated London News, 1850 Justice, 1897 Food & Sanitation, 1894 **Jarhead** Anthony Swofford, 2005-11-11. Anthony Swofford's *Jarhead* is the first Gulf War memoir by a frontline infantry marine, and it is a searing, unforgettable narrative. When the marines, or jarheads as they call themselves, were sent in 1990 to Saudi Arabia to fight the Iraqis, Swofford was there with a hundred-pound pack on his shoulders and a sniper's rifle in his hands. It was one misery upon another. He lived in sand for six months; his girlfriend back home betrayed him for a scrawny hotel clerk; he was punished by boredom and fear; he considered suicide; he pulled a gun on one of his fellow marines, and he was shot at by both Iraqis and Americans. At the end of the war, Swofford hiked for miles through a landscape of incinerated Iraqi soldiers, and later was nearly killed in a booby-trapped Iraqi bunker. Swofford weaves this experience of war with vivid accounts of boot camp, which included physical abuse by his drill instructor, reflections on the mythos of the marines, and remembrances of battles with lovers and family. As engagement with the Iraqis draws closer, he is forced to consider what it is to be an American, a soldier, a son of a soldier, and a man. Unlike the real-time print and television coverage of the Gulf War, which was highly scripted by the Pentagon, Swofford's account subverts the conventional wisdom that U.S. military interventions are now merely surgical insertions of superior forces that result in few American casualties. *Jarhead* insists we remember the Americans who are in fact wounded or killed, the fields of smoking enemy corpses left behind, and

the continuing difficulty that American soldiers have reentering civilian life A harrowing yet inspiring portrait of a tormented consciousness struggling for inner peace Jarhead will elbow for room on that short shelf of American war classics that includes Philip Caputo's A Rumor of War and Tim O'Brien's The Things They Carried and be admired not only for the raw beauty of its prose but also for the depth of its pained heart Saturday Review ,1871 The Saturday Review of Politics, Literature, Science and Art ,1871
