*Randiana, Or, Excitable Tales*, 1891      *Randiana; Or, Excitable Tales, Etc* RANDIANA., 1884      *Randiana* A. Pukka Swiver, 2010-04-25 Up to the age of sixteen I had remained in perfect ignorance of all those little matters which careful parents are so anxious to conceal from their children nor indeed should I then have had my mind enlarged had it not been for the playful instincts of my mother's housemaid Emma a strapping but comely wench of nineteen who confined to the house all the week and only allowed out for a few hours on Sunday could find no vent for those passionate impulses which a well fed full blooded girl of her years is bound to be subject to occasionally and more especially after the menstrual period It was I remember well at one of these times that I was called early by my mother one morning and told to go and wake Emma up as she had overslept herself and the impression produced upon me as barefooted and in my nightshirt I stepped into the girl's room and caught her changing the linen bandage she had been wearing round her fanny was electrical [www.victorianerotica.org](http://www.victorianerotica.org)      **Randiana**, 1884      **Randiana** Anonymous, 2017-06-02 *Randiana or Excitable Tales* is an anonymously written erotic novel originally published by William Lazenby in 1884 The book depicts a variety of sexual activities including incest defloration and lesbianism      **Randiana, or Excitable Tales of the 1898** Anonymous,      [Clandestine Erotic Fiction in English 1800-1930](#) Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800-1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi      **Sexual Pedagogies** C. Nelson, M. Martin, 2004-01-02 Understandings of sexuality and sex education have changed dramatically and in this collection the authors explore the various texts that were used to teach to entertain to sanction and to form a sexual standard for a nation According to Nelson and Martin these include a puberty education sermons on abstinence medical writings promoting sexual fulfillment Hollywood comedies about sexual coming of age and picture books validating homosexuality The essays included here are designed to illustrate the many responses that Anglophone culture has had to such texts for over a century      **A Study of Erotic Literature in England** W. v. Murat, 2019-09-24 The present work fills a gap as it attempts to offer a history of erotic

literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation

**Sex, the Illustrated History: Through Time, Religion, and Culture**  
 John R. Gregg, 2018-07-30 Sex the Illustrated History Volume III continues a courageous exploration of sexual customs and conflicts into the modern world This work explores the fight for sexual freedom in a world of often repressed sexuality The conflict with the church and its control of sexuality and law has stood as a barrier against freedom of human sexuality The focus of this work is primarily the European and American theater as they strive to rise above the ancient precepts that have girdled sexuality The fight was a long and hard fought one prejudice and prudery and claims of morality and law stood rigidly against a new rationalism beginning in the Reformation The book explores in depth historical and contemporary worldwide slavery forced marriage child brides abuses of the Catholic Church and sexual trafficking Also explored are the history of homosexual movements bisexuality and the larger LGBT movements

The Other Victorians Steven Marcus, 2017-07-12 Taking as his point of departure the authors the audience and the texts of Victorian writings on sex in general and of Victorian pornography in particular Steven Marcus offers a startling and revolutionary perspective on the underside of Victorian culture The subjects dealt with in The Other Victorians are not only those to have been shocking in the Victorian period The way these subjects were regarded and the way our notions of the Victorians continue to change as the efforts of contemporary scholarship restore them to their full historical dimensions are matters today of some surprise and wonder Making use for the first time of the extensive collection of Victoriana at the Kinsey Institute for Sex Research Marcus first examines the writings of Dr William Acton who may be said to represent the official views of sexuality held by Victorian society and of Henry Spencer Ashbee the first and most important bibliographer scholar of pornography He then turns to the most significant work of its kind from the period the eleven volume anonymous autobiography My Secret Life There follows an analysis of four pornographic Victorian novels an

analysis that throws an oblique but fascinating light on the classics of Victorian literature and a review of the odd flood of Victorian publications devoted to flagellation The book concludes with a chapter propounding a general theory of pornography as a sociological phenomenon With the publication of *The Other Victorians* understanding of this period took a giant stride forward Most of the writers and writings discussed by Marcus belong to Victorian sub literature rather than to literature proper in this way the work remains connected to a consideration of the exotic sub literature A brilliantly written book in its own right this work transformed the study of the Victorian period as did no other *The Traffic in Obscenity From Byron to Beardsley* C. Colligan,2006-08-22 Colligan argues that Nineteenth century obscenity was caught up in the global cultural traffic of print technology international trade and exoticism She reveals that obscenity intersected majority and minority culture searched out new print and visual media and built commercial and fantasmatic global networks for its continuation and survival *Bibliography of Forbidden Books* - Henry Spencer Ashbee,2007-11-01 In this final volume of the 1877 work that established him as England's leading authority on pornography Henry Spencer Ashbee describes scores of curious uncommon and erotic books that were banned or otherwise prohibited from legitimate sale during the Victorian era Included in this volume are such gentlemen only titles as *Intrigues and Confessions of a Ballet Girl* *The Pleasures of Kissing and Being Kissed* and the infamous *Memoirs of a Woman of Pleasure* This catalog of mostly forgotten works is an invaluable and highly entertaining resource for bibliophiles students of erotica and collectors of Victoriana British book collector travel writer and bibliographer HENRY SPENCER ASHBEE 1834 1900 aka Pisanus Fraxi is thought by some to have authored the notorious Victorian sexual memoir *My Secret Life* *London* Matthew Green,2015-06-18 Step back in time and discover the sights sounds and smells of London through the ages in this enthralling journey into the capital's rich teeming and occasionally hazardous past Let time traveller Dr Matthew Green be your guide to six extraordinary periods in London's history the ages of Shakespeare medieval city life plague coffee houses the reign of Victoria and the Blitz We'll turn back the clock to the time of Shakespeare and visit a savage bull and bear baiting arena on the Bankside In medieval London we'll circle the walls as the city lies barricaded under curfew while spinning further forward in time we'll inhale the holy herb in an early tobacco house before peering into an open plague pit In the 18th century we'll navigate the streets in style with a ride on a sedan chair and when we land in Victorian London we'll take a tour of freak show booths and meet the Elephant Man You'll meet pornographers and traitors actors and apothecaries the mad bad and dangerous to know all desperate to show you the thrilling and vibrant history of the world's liveliest city *Blow the Candle Out (c)* , Unprintable Ozark Folksongs and Folklore Volume II Folk Rhymes and Other Lore *Victorian Secrets* Davina Charleston,1996 *Unprintable Ozark Folksongs and Folklore: Roll me in your arms* Vance Randolph,1992-01-01 Roll Me in Your Arms Volume I includes 180 unexpurgated songs collected by Randolph with tunes transcribed from the original singers *Catalog of Copyright Entries.
