**Colors of Goodbye** September Vaudrey, 2016 What happens after the worst happens Before May 31 2008 September

Vaudrey's life was beautiful. But on that day with one phone call from the ER, her whole world, everything she knew and believed, was shaken to the core. Katie, her 19-year-old artist daughter, had been in a car accident and would not survive. How does a family live in the wake of devastating tragedy? When darkness colors every moment, is it possible to find light? Can God still be good even after goodbye? With the depth of C. S. Lewis's *A Grief Observed* and the poignancy of Joan Didion's *The Year of Magical Thinking*, *Colors of Goodbye* offers a moving glimpse into a mother's heart. Combining literary narrative and raw reflection, September Vaudrey walks through one of life's worst losses: the death of a child, and slowly becomes open to watching for the unexpected ways God carries her through it. It's a story of love and tragedy in tandem, a deeply personal memoir from a life forever changed by one empty place. And at its core, *Colors of Goodbye* calls to the deepest part of our spirits to know that death is not the end, and that life can be beautiful still.

**What Now?: Finding Renewed Life in Christ After Loss** Kaitlyn Odom Fiedler, 2023-04-04 How do you find hope after loss? Kaitlyn Odom Fiedler was eight years old when she woke up alone in a hospital room, the victim of a horrible car accident that had claimed the lives of six of her family members as they traveled on their way to vacation at the beach. Left with only one living brother, young Kaitlyn was left with the question: What now? How do you find hope after loss? Twenty years later, Kaitlyn has found her hope and wants to encourage others as they struggle with their own trials. *What Now: Finding Renewed Life in Christ After Loss* brings a refreshing perspective of hope and will help answer the questions of how to move forward, not just move on, when it seems there is nothing left on which to cling. Readers will discover how Kaitlyn moved from questioning to trusting God in times of sorrow, and they will find hope and healing in their own grief journey along the way. Endorsements: In *What Now*, Kaitlyn shares her pain, struggle, and personal wrestling with grief, love, and hope with courageous vulnerability. Although her story is her own, she invites us to find our own stories in it, and by doing so, we find hope outside of ourselves. Kaitlyn writes as if she is introducing us to her family, her home, and her hope. She has found Christ, sustaining, patient, and present, and introduces Him as one friend introduces another. Lee Anne Cavin, Grace Church Campus Support Staff. Kaitlyn opens the door to her grief and invites you in. Asking the question, "What now?" she gently places your hand in the hand of Jesus and walks with you into the light of healing and hope. Hers is a story honestly told, laying her suffering open, welcoming you to share with her God's living and sufficient grace. Georgia Tanner, Author of *Genesis: Small Stories of a Big God*. *What Now* challenged me to see God's goodness amid insurmountable suffering. Kaitlyn's use of storytelling kept me engaged and inspired. With vulnerability and boldness, Kaitlyn shares her experience of unimaginable loss and brings hope to hurting people. This book will support people who have encountered trauma, suffering, or loss, and *What Now* will guide the rest of us as we journey with them. Peter Hyatt, Campus Minister, Clemson Baptist Collegiate Ministry. In her book *What Now*, Kaitlyn did a phenomenal job of addressing an extremely painful topic and shared openly and honestly about her journey through her own grief. What she revealed depicts a process that can make or break a person. Kaitlyn genuinely is a wounded healer who can understand another's pain and also

know that there is light that can come out of darkness

Vickey Maclin Psy D Associate Professor at Gordon Conwell Theological Seminary Charlotte and Psychological Associate In What Now Kaitlyn shares her story with raw vulnerability and I felt immediately connected to her Throughout her story you will be inspired by her strength and amazed at the faithfulness of our great God This book is a survival guide for anyone who needs a reminder that God is good and our strength in times of hardship

Grace Valentine Author of four best selling books and host of Water Into Wine podcast In his book The Wounded Healer Henri Nouwen wrote that The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Kaitlyn has been in the desert of great pain and loss And she s emerged as a wounded healer able to speak with both awareness and hope for those who find themselves in the throes of grief

devastating loss above all an ode to joy      *Ellen: a Memoir of Love, Life, and Grief* Chet Day, 2025-03-17 Let me tell you something about grief that might surprise you sometimes it makes you laugh when you least expect it After losing Ellen my wife and best friend of 47 years I discovered that the journey through loss isn't just a somber march through sadness It's a wildly unpredictable road with moments that will have you crying one minute and laughing out loud the next much like our marriage itself This memoir isn't what you might expect Yes it explores the crater that loss leaves in your life when someone you've loved for nearly five decades is suddenly gone But it's also filled with the kind of stories I'd share if we were sipping coffee while reminiscing about the woman who could make me fall in love with her all over again every time she'd flash her perfect smile You'll read about the time Ellen and I tried to figure out why I'd jump when we were preparing meals together If she turned toward me with a knife in hand I reacted as if she was ready to slice me up A believer in reincarnation Ellen said she must have put me down in a past marriage for something I'd said or done I also share many other funny everyday moments that seemed ordinary then but reveal themselves now as the true treasures they were For five years I've been writing this book often with a cup of coffee gone cold beside me as I lost myself in memories The writing has been therapy my way of making sense of an Ellen-less world I never planned to inhabit A Unique Collaborative Approach What makes this memoir particularly unique is its multidimensional approach to storytelling Under my creative direction I utilized AI technology to help me explore grief through different literary voices With my concepts memories and extensive notes as foundation I guided this collaborative process to create something that goes beyond traditional memoir boundaries This approach helped me craft letters journal entries poems and reflective essays that complement my personal narrative while maintaining my authentic voice throughout Together with this technological assistance I've woven a tapestry that explores grief from multiple perspectives You'll find letters and journal entries inspired by the distinctive styles of authors like Hemingway Twain and Henry James as well as the unmistakable voices of fictional characters The philosophical dimensions of loss are explored through writings influenced by Henri Bergson Carl Jung Baruch Spinoza and even Albert Einstein The poetic section draws on the spirits of Shakespeare Dickinson Whitman Frost and Plath offering different lenses through which to view profound loss Even the wisdom of spiritual thinkers like Soto Zen Buddhist Dogen Zenji and Native American shaman Black Elk finds its way into these pages This approach allowed me to step outside my own grief occasionally to see it reflected and refracted through different minds and sensibilities The result is a memoir that honors not just my journey and Ellen's memory but the universal human experience of loving and losing that writers and thinkers have grappled with throughout history An Invitation I'm not a grief expert or a self-help guru I'm just a paperback writer who loved deeply lost profoundly and somehow found my way to a new normal with wrong turns awkward moments and unexpected discoveries along the way If you've ever loved someone lost someone or simply want to understand what that journey looks like from the inside this memoir might be for you I've written it as if I'm telling these stories directly to a dear friend I hope you'll take this
