Rather Be Melissa Pearl, They were best friends then lovers then nothing at all But when they reconnect in a snowy airport four years later can a trip across the country fix what was broken years before Nixon I never thought I'd see Charlie again but there she is looking as vibrant and lovable as I remember But she broke my heart left me without so much as a goodbye I've moved on now I can't go back Why does she have to be so irresistible And why do I feel most like myself whenever I'm around her If I let her in will she just break my heart all over again Charlie I can't ever admit why I ran away after we got together that summer It would crush Nixon and I won't be responsible for breaking up his family But maybe a road trip across the country will give me a chance to finally show him that he'll always mean the world to me that I would do anything to turn back time and undo what I did Because whether I like it or not Nixon will own my heart forever He's my best friend my soulmate the only guy I've ever wanted *Rather Be* is a friends to lovers second chance romance that comes with its own playlist You are guaranteed a sweet and spicy love story with a happy ending Be prepared for road trip antics laugh out loud moments and a soulmate connection that will steal your heart This was an endearing delightful second chance romance that has found its place on my READ AGAIN E SHELF Bobo's Book Bank A novel that will hook you from the beginning reel you in til the end With some laugh out loud moments sexy spicy moments and a perfectly done epilogue at the end I highly recommend reading this inspiring novel Sophie Koufes **Graphic Showbiz** Nanabanyin Dadson, 2014-08-25 *Billboard*
