

Ravenna Manufacturing is preparing its master budget for the first quarter of the upcoming year. The following data pertain to Ravenna Manufacturing's operations:

Balance sheet totals as of December 31 (prior year):

|                                        |           |
|----------------------------------------|-----------|
| Cash                                   | \$ 4,500  |
| Accounts Receivable (net)              | \$ 46,000 |
| Finished Goods Inventory (2,675 units) | \$ 12,700 |
| Direct Materials Inventory (1,150 lbs) | \$ 2,300  |
| Property, Plant and Equipment (net)    | \$122,000 |
| Accounts Payable                       | \$ 42,400 |
| Capital Stock                          | \$125,000 |
| Retained Earnings                      | \$ 20,100 |

- Actual sales in December were \$70,000. Selling price per unit is projected to remain stable at \$10 per unit throughout the budget period. Sales for the first five months of the upcoming year are budgeted as follows:

|          |           |
|----------|-----------|
| January  | \$ 83,000 |
| February | \$ 99,000 |
| March    | \$ 96,000 |
| April    | \$ 90,000 |
| May      | \$ 86,000 |

- Sales are 30% cash and 70% credit. All credit sales are collected in the month following the sale.
- Ravenna Manufacturing has a policy that states that each month's ending inventory of finished goods should be 25% of the following month's sales (in units).
- Of each month's direct materials purchases, 20% are paid for in the month of purchase, while the remainder is paid for in the month following purchase. Two pounds of direct material is needed per unit at \$2.00 per pound. Ending inventory of direct materials should be 10% of next month's production needs.
- Most of the labor at the manufacturing facility is indirect, but there is some direct labor incurred. The direct labor hours per unit is .03. The direct labor rate per

hour is \$8.00 per hour. All direct labor is paid for in the month in which the work is performed.

- Monthly manufacturing overhead costs are \$5,000 for factory rent, \$3,000 for other fixed manufacturing expenses, and \$1.20 per unit for variable manufacturing overhead. No depreciation is included in these figures. All expenses are paid in the month in which they are incurred.
- Computer equipment for the administrative offices will be purchased in the upcoming quarter. In January, the company will purchase equipment for \$5,000 (cash), while February's cash expenditure will be \$12,000 and March's cash expenditure will be \$15,000.
- Operating expenses are budgeted to be \$1.00 per unit sold plus fixed operating expenses of \$1,000 per month. All operating expenses are paid in the month in which they are incurred.
- Depreciation on the building and equipment for the general and administrative offices is budgeted to be \$4,500 for the entire quarter, which includes depreciation on new acquisitions.
- Ravenna Manufacturing has a policy that the ending cash balance in each month must be at least \$4,000. The company has a line of credit with a local bank. It can borrow in increments of \$1,000 at the beginning of each month, up to a outstanding loan balance of \$125,000. The interest rate on those loans is 1% per month simple interest (not compounded). Ravenna Manufacturing would pay down on the line of credit balance if it has excess funds at the end of the quarter. The company would also pay the accumulated interest at the end of the quarter on the funds borrowed during the quarter.

- Prepare a direct labor budget for January, February, and March and quarter in total. (5 pts.)
- Prepare a manufacturing overhead budget for January, February, and March and quarter in total. (5 pts.)
- Prepare an operating expense budget for January, February, and March and quarter in total. (5 pts.)
- Prepare a cash budget for January, February, and March and for the total. (20 pts.)
- Calculate the budgeted manufacturing cost per unit (assume that the manufacturing overhead is budgeted to be \$ .70 per unit for the year).
- Prepare a budgeted Income Statement for the quarter ended March 31. (Cost of Goods Sold = Budgeted cost of manufacturing each unit x # units sold) (10 pts.)
- Participation (I will assign these points based on the participation of your team's discussion board). (20 pts.)

|     |                                                    |  |          |
|-----|----------------------------------------------------|--|----------|

## **Ravenna Manufacturing Budgeting Problem Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Ravenna Manufacturing Budgeting Problem has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ravenna Manufacturing Budgeting Problem has opened up a world of possibilities. Downloading Ravenna Manufacturing Budgeting Problem provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ravenna Manufacturing Budgeting Problem has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ravenna Manufacturing Budgeting Problem. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ravenna Manufacturing Budgeting Problem. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ravenna Manufacturing Budgeting Problem, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Ravenna Manufacturing Budgeting Problem has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Ravenna Manufacturing Budgeting Problem Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ravenna Manufacturing Budgeting Problem is one of the best book in our library for free trial. We provide copy of Ravenna Manufacturing Budgeting Problem in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ravenna Manufacturing Budgeting Problem. Where to download Ravenna Manufacturing Budgeting Problem online for free? Are you looking for Ravenna Manufacturing Budgeting Problem PDF? This is definitely going to save you time and cash in something you should think about.
