Mission Peter T. Lee,2022-09-27 This qualitative study explores intercultural social dynamics among international Christian workers who are part of multicultural teams engaged in Christian ministries in a North African country It seeks to understand these workers lived realities at intersections of multiple cultural flows Ethnographic methods were used to collect and analyze data and forty nine international Christian workers were interviewed The findings of this study indicate that intercultural Christian workers go through complex intercultural social processes interwoven in the fabric of their everyday life These processes are mediated by their social experiences in the local North African context and their multicultural teams resulting in significant changes in their personal dispositions and social behaviors Based on these findings a working concept of diasporic habitus is developed and the practice of double discourses of culture is further examined This research suggests that some existing missiological concepts need to be revisited and recommends further interdisciplinary conversations involving cultural anthropology and sub fields in psychology about the changes that happen to people in intercultural missions It also calls for a reflexive approach to missiological research that incorporates awareness of one s situatedness and the lasting impact of historical entanglements on contemporary intercultural relations Qualitative

Data Analysis Matthew B. Miles,A. Michael Huberman,Johnny Saldana,2013-04-05 The Third Edition of Miles Huberman s classic research methods text is updated and streamlined by Johnny Salda a author of *The Coding Manual for Qualitative Researchers* Several of the data display strategies from previous editions are now presented in re envisioned and reorganized formats to enhance reader accessibility and comprehension The Third Edition s presentation of the fundamentals of research design and data management is followed by five distinct methods of analysis exploring describing ordering explaining and predicting Miles and Huberman s original research studies are profiled and accompanied with new examples from Salda a s recent qualitative work The book s most celebrated chapter *Drawing and Verifying Conclusions* is retained and revised and the chapter on report writing has been greatly expanded and is now called *Writing About Qualitative Research*

Comprehensive and authoritative *Qualitative Data Analysis* has been elegantly revised for a new generation of qualitative researchers Faithful Inheritances Yamil Acevedo,2025-04-28 *Faithful Inheritances* bridges academic rigor and accessibility inviting readers to deeply explore how Christian faith shapes the ethnic identity and sense of belonging among second generation Puerto Ricans Over the past four decades social sciences have extensively examined Latino a s identities

but the influence of Christian beliefs remains underexplored This book addresses this gap offering insights that resonate broadly within the second generation Latino a s community in the United States Through qualitative research involving participants from Anglo American and English speaking Latino a s congregations this study reveals how faith and cultural heritage intertwine to form unique ethnoreligious identities These faithful inheritances are dynamic legacies that guide individuals in navigating their world fostering a sense of community and belonging Faithful Inheritances contributes to scholarly discussions on ethnicity and mission within Christian contexts highlighting the importance of recognizing cultural nuances while avoiding overgeneralizations By understanding and honoring these inheritances we gain a deeper appreciation for the multifaceted identities that second generation Latino a s bring to their faith communities and the broader society
