Grasping for Power is a gripping tale of ambition and desperation where the pursuit of power pushes characters to the edge of reason In a world where deceit and manipulation are rampant this narrative delves into the consequences of falsehoods on individuals and relationships **Night Shift** Maritta Wolff,2008-12-09 Sally Otis works as a waitress in order to support her

three children and a jobless younger sister They live in a down trodden apartment house which they share with other working class tenants Her husband is in a State mental hospital and most likely there for good Her deadbeat younger brother and a lodger from across the hall pay board to eat in her crowded little flat As Christmas approaches there is no money for gifts and no prospect of her husband returning home As her burden becomes intolerable Sally s sturdy courage begins to falter To make matters worse the sleazy suspicious owner of the local night club Nick Toresca takes a fancy to Sally and won t leave her alone As he is the brother of her boss at the greasy spoon she is in no position to call the shots Things are shaken up when Sally s sister the swaggering glamorous independent Petey Braun appears on the scene All loud laugh deep voice self confident aplomb and worldly generosity Petey grabs the spotlight and centre of the stage and never lets them go She is an American career woman one who makes a career of men she is a master of her trade To give Sally a break Petey sets about to dazzle Nick so that he has no eyes for Sally Nothing is straightforward when Petey gets involved however so what follows is a swift paced tale of tension excitement and sibling rivalry as the very different worlds of Sally and Petey collide
