UNIVERSITY OF COLORADO HEALTH

To Whom It May Concern:

I am writing in support of Denise Street for credentialing to a level III professional registered nurse. I have worked closely with Denise for last nine years, where she has held a leadership position as Charge RN in the radiology area. A majority of that time was in the interventional radiology department at the Medical Center of Aurora. Presently we are colleagues in the radiology department at UC Health where she is the Lead RN.

Denise possesses the leadership qualities needed in a busy radiology department. She works closely with the physicians, nurses and technologists to ensure safe quality care of patients. She has developed guidelines and policies that guide the staff when caring for patients in the radiology environment. She demonstrates the advanced knowledge and skills needed to provide continued improvement in the satisfaction and standard of care for our patients. She is actively involved with maintaining the competency and continued education of the radiology staff. Denise meets all criteria of an advanced, proficient, professional nurse leader. She would be an asset to any organization.

Sincerely,

Sharon Bryant
