

WINTER VACATIONS

My winter vacations usually start in January. It is always really fun. This year my holidays extended for few days due to extensive cold. It felt like we got surprise vacations! I also like the fact that we go to visit hill stations during my winter vacations and I get to enjoy in the snow. I have plenty of snow ball fights and snowman making competitions with my brother. I also go to visit my grandmother's house during my vacations. I have a lot of fun making winter crafts with my cousins and going to the market to buy caps and mufflers with my grandparents. But the first thing I do during my winter vacations is that I finish my holiday home work so that I can enjoy the rest of my vacations. I get really exciting and creative projects every time. I would like to conclude by telling that everybody have different ways to enjoy their vacations and whatever you do, just maintain a healthy lifestyle and do not forget about your health while having fun.
