

APPLICATION ESSAY

Dear sir/madam,

I hereby tender in my application to be considered for an admission into an associate degree course in nursing at the Saint Paul's school of nursing.

I have selected nursing as my course of choice as this will lead me into accomplishing a successful career in nursing, which has always been my dream career. I have always wanted to be a nurse because it's a position that gives you an opportunity to offer service to humanity and, as they say, "service to humanity is service to God". I have an undying passion for assisting people especially when they are unable to practically do things for themselves and therefore after accomplishing a course in nursing, I will have a wonderful opportunity to practice this.

As a nurse, an individual plays important and crucial role in offering service to the society; it is a role that requires one's unlimited determination and passion. I am ready to take this challenge. At the same time, a course in nursing will offer me a life-time opportunity to build a successful career in nursing and which I believe will in turn guarantee me a successful and comfortable life after my training.

I have picked your school of nursing as my preferred and number one school of choice because of the quality of education offered at the school. I believe that good training and education are prerequisite and crucial components of every successful career and, therefore, this is the best place to gain training. I am confident that I will get all the skills and knowledge that I will later on as a nurse require to offer nursing services effectively. In this regard, I strongly
