Arsen's relationship last when secrets come between them Louvette has had a rough start to her semester at Whitefish Academy After finding her missing father's journal Louvette Blackwood searches for the truth of what happened to the Blackwood men From dealing with a perpetual mean girl newfound secrets and new foes the rest of her semester is going to be a rocky one Excerpt Let's go for a run then I haven't been since the pack meet Louvette decided The two of them looked at each other contemplating Deal Arsen said The room went quiet for a second The kind of quiet in an old western movie right before a gunfight conveniently located in the middle of town for all the townspeople to gawk at Louvette's eyes narrowed Pushing them out of the way she barreled down the hall and out the front door giggling Loud footsteps thundered behind her She checked over her shoulder for a second as the two of them were fighting to exit the house first Her body split into a thousand pieces and newly formed wolf paws hit the earth The reshaped muscles worked at maximum efficiency to reach the forest before the boys Louvette was conscious of her dark chestnut hair turning white Her limbs snout and ears grew long All the human stress that had weighed her down dissipated She had needed this more than she could have imagined Everything faded away Arsen's and Ian's presence were no longer known to her The one thing she did comprehend was that running hunting and being a wolf were the best things she had ever experienced She could tell it would be an effortless thing to get lost in It would be such a freeing concept to keep going into the forest farther and farther The need to find where the forest ended was so prominent that Louvette kept going The sole thing on her mind was running Not any thought of her family friends or Arsen missing her if she kept running She could do it forever A giant furry mountain knocked her off her feet forcefully making her bones ache Louvette unsteadily stood up and took in the offender recognizing it had been Arsen Though the impact was rough he had held back some Assuming that a wolf could look worried Arsen's wolf achieved that and more Being a grey wolf gave him the appearance of appearing far older than he was with his worry In comparison to her smaller stockier wolf Arsen was twice her size She took in her surroundings for the first time since she first started running A large river flowed past her but Louvette had no idea where she was Wherever she was it was far from Arsen's home Arsen's wolf flicked his nose away from the river That was all the instruction she needed Louvette shook her fur and took off back in the direction he had pointed The two of them ran for a while to their starting point where Louvette had run miles away from She thought it was a bit odd she had made it so far so fast
