

Sample AP English Language and Composition Exam Questions

The following multiple-choice and free-response exam questions are typical of those used on past AP English Language and Composition Exams.

Sample Multiple-Choice Questions

Questions 1–11. Read the following passage carefully before you choose your answers. This passage is excerpted from an essay written in nineteenth-century England.

It has been well said that the highest aim in education is analogous to the highest aim in mathematics, namely, to obtain not results but powers, not particular solutions, but the means by which endless solutions may be wrought. He is the most effective educator who aims less at perfecting specific acquisitions than at producing that mental condition which renders acquisitions easy, and leads to their useful application; who does not seek to make his pupils moral by enjoining particular courses of action, but by bringing into activity the feelings and sympathies that must issue in noble action. On the same ground it may be said that the most effective writer is not he who announces a particular discovery, who convinces men of a particular conclusion, who demonstrates that this measure is right and that measure wrong; but he who rouses in others the activities that must issue in discovery, who awakes men from their indifference to the right and the wrong, who nerves their energies to seek for the truth and live up to it at whatever cost. The influence of such a writer is dynamic. He does not teach men how to use sword and market, but he inspires their souls with courage and sends a strong will into their muscles. He does not, perhaps, enrich your stock of data, but he clears away the film from your eyes that you may search for data to some purpose. He does not, perhaps, convince you, but he strikes you, undecieves you, animates you. You are not directly fed by his books, but you are braced as by a walk up to an alpine summit, and yet subdued to calm and reverence as by the sublime things to be seen from that summit.

About the Test

The Advanced Placement Examination in English Language Composition is geared toward the student who has studied the mechanics of writing and rhetoric at an advanced level and wishes to pursue college credit. Take care not to confuse the AP Examination in English Language Composition with the AP Examination in Literature Composition. The Literature exam focuses on literature and literary criticism while the Language exam deals with writing as a craft. This book is designed to help you prepare for the AP Examination in English Language Composition only.

The AP English Language Composition Exam is divided into two sections.

Section 1: Multiple Choice. 60 minutes accounts for 45% of total score. Five or six reading passages with an average of 10 questions each.

Section 2: Free Response. up to 120 minutes accounts for 55% of total score. Three essay questions. The first section consists of five or six reading passages and sixty multiple choice questions which you will have one hour to complete. Each passage will be followed by an average of ten questions and thereafter the passage will not be referred to again. Do not feel pressured to remember each reading; just digest them one at a time and move on. After reading the passage, you will have approximately one minute to answer each question.

The second section of the AP English Language Composition Exam consists of three essay questions and is divided such that you will have forty minutes to write each essay. Do not expect to be able to go back to an essay after the allotted time has elapsed. Note that each essay has very specific instructions and most have a passage which you will read critically to answer the essay question. Your essays will be scored according to the essay structure, the clarity of your writing, and the extent to which you have answered the question.

Scoring the Exam

The multiple choice section of the exam is scored by crediting each correct answer with one point and deducting one fourth of a point for each incorrect answer. Unanswered questions receive neither a credit nor a deduction. The free response essays are graded by more than 5,000 instructors and professors who gather together each June for a week of non-stop AP essay grading. Each essay booklet is read and scored by four graders. Each grader provides a score for the individual essays. This score is a number on a scale from 0 to 9, 0 being the lowest and 9 the highest. The graders are not aware of each other's scores. When the essays have been graded four times, the scores are averaged, one score for each of the three essays, so that the free response section is composed of three scores. The three essays are weighted equally and the total weight of the free response

section is fifty five percent of the total score The multiple choice section accounts for forty five percent of the total score Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations The following method of scoring along with the corresponding chart will give you an approximation of your score It will not indicate the exact score you would get on the actual AP English Language Composition Exam **Princeton Review AP English Language & Composition Prep, 2023** The Princeton Review, 2022-08-16 Make sure you're studying with the most up to date prep materials Look for the newest edition of this title The Princeton Review AP English Language Composition Prep 18th Edition ISBN 9780593517093 on sale August 2023 Publisher's Note Products purchased from third party sellers are not guaranteed by the publisher for quality or authenticity and may not include access to online tests or materials included with the original product AP English Language and Composition Premium, 2023-2024: Comprehensive Review with 8 Practice Tests + an Online Timed Test Option George Ehrenhaft, 2022-08-02 Be prepared for exam day with Barron's Trusted content from AP experts Barron's AP English Language and Composition Premium 2023 2024 includes in depth content review and online practice It's the only book you'll need to be prepared for exam day Written by Experienced Educators Learn from Barron's all content is written and reviewed by AP experts Build your understanding with comprehensive review tailored to the most recent exam Get a leg up with tips strategies and study advice for exam day it's like having a trusted tutor by your side Be Confident on Exam Day Sharpen your test taking skills with 8 full length practice tests 5 in the book including a diagnostic test to target your studying and 3 more online Strengthen your knowledge with in depth review covering all Units on the AP English Language and Composition Exam Reinforce your learning with practice by tackling the review questions at the end of each chapter Online Practice Continue your practice with 3 full length practice tests on Barron's Online Learning Hub Simulate the exam experience with a timed test option Deepen your understanding with detailed answer explanations and expert advice Gain confidence with scoring to check your learning progress AP English Language and Composition Premium George Ehrenhaft, 2020-08-04 Be prepared for exam day with Barron's Trusted content from AP experts Barron's AP English Language and Composition Premium 2020 2021 includes in depth content review and online practice It's the only book you'll need to be prepared for exam day Written by Experienced Educators Learn from Barron's all content is written and reviewed by AP experts Build your understanding with comprehensive review tailored to the most recent exam Get a leg up with tips strategies and study advice for exam day it's like having a trusted tutor by your side Be Confident on Exam Day Sharpen your test taking skills with 8 full length practice tests 5 in the book and 3 more online Strengthen your knowledge with in depth review covering all Units on the AP English Language and Composition Exam Reinforce your learning with practice questions at the end of each chapter Interactive Online Practice Continue your practice with 3 full length practice tests on Barron's Online Learning Hub Simulate the exam experience with a timed test option Deepen your understanding with detailed answer explanations and expert advice Gain confidence with
