Dear Kamal,

Hello! How are you? I hope you are in the pink. I am writing this letter is to give you reasons why you would make a good Head Prefect.

Firstly, you would be a good prefect because you have many good personal qualities. You are a friendly, responsible and helpful person. (c1, c2 , c3) You always ready to help other students when they are in trouble.

Secondly, you also have good achievement in academic performance. You are an intelligent student in school. (C4) Besides, you are a hardworking student where you always finish your homework fast in school. (C5) You are also a problem solver who likes to help other to solve academic problems especially mathematics. (C6)

Thirdly, you are active in co-curricular involvement in school, district and state level. In school, you are Blue House Captain for sports event. (C7) Furthermore, you are the secretary of English Language Society. (c8) Beside that, you are a good school debater. You represented school and district in state level debate competition and you won the first place in the competition. (c9)

In spite of that, you live near school. I believe that you will be able to sacrifice some times in school to carry out your duty as a Head Prefect. (C10) Additionally, you have a good study habits and your academic performance will not be affected. (C11) Last but not least, you are popular with students and teachers. So, everyone will respect you and co-operate with you in school.

Therefore, with all the good personalities that I mentioned above, I feel that you deserve to be a good Head Prefect and a good role model to pupils in school. I hope you accept the post of Head Prefect. That's all for now. Thank you and bye.

Your sincerely

Lokman
