

did not need any more teeth as he was quite satisfied with his own, my father told him of the man who had lost his in the sea.

## How I Spent My Last Saturday

Saturday is always a holiday in my school. I look forward to holidays but I never quite know what to do with them. I am a boarder in my school and my home is too far away for me to go there and return to school the very same day. I sometimes go out for picnics with some of my school friends. But last Saturday, they all went for a basketball match in another school and I was left alone with the school matron.

I sat on the steps leading to my dormitory feeling quite sorry for myself when I got a surprise. The matron sent for me and told me that I had a visitor. I wondered who it could be. My parents always let me know in advance if they were coming to visit me. I could think of no one else.

I walked slowly towards the front office where visitors had to wait and I saw a tall figure stand up as I entered. I was very happy. It was my elder brother who had gone abroad three years ago and whom I thought I'd never see again. He gave me a tight hug and lifted me into the air like a feather.

After requesting for permission to take me out for the day, he told me of his plans. He was going to give me an outing to remember. He kept to his word. We went for a movie and then he took me shopping. He bought me clothes and track shoes and a nice school bag. My old one was all torn and shabby. After that we went out for a late lunch and laughed over our noodles and fried chicken.
