the person of whom I am proud I have intentionally not gone into minute detail because I want you to read it think about it and come to your own conclusion s Someone who has written a book has always held a place of awe with me Because of my own experiences and highly limited beliefs it never dawned on me that I could write a book This all changed when I came down with a dose of cancer and started throwing off all the anchors holding me as a person down All of a sudden the book was just for me it didnt have to look or feel a certain way and I didnt care if a single book was ever sold I just wanted to be an author And here is the result I sincerely hope you enjoy and learn from my own journey through the years Experiences are good and bad just that They are something I went through learned from and survived However by sharing these experiences and allowing people to learn from them I give them value Randy Morrow **Japhet in Search of a Father** Frederick Marryat,1887 **Dzikowski v.
