This has been possible due to sound HR practices and some key written policies and procedures such as the GBTI Employees Service Rules, Personnel and Administration Manual, Gender Mainstreaming Policy, etc. GBTI's HR policy is a gender sensitive policy based on the following principles:

Transparency: Though certain levels of supervisory staff enjoy authority over the others, all decisions are documented and the basis of decisions is generally known to all GBTI employees.

Flexibility to meet diverse requirements of the program: GBTI's operations cover diverse areas, population, casts and languages; hence the procedures may not be the same across all regions.

Continuous capacity building: The driving force of any organization is its people. Therefore, GBTI is committed to build opportunities and pursuit life-long learning for its all employees without any discrimination that gives the capacity to move forward to achieve its mission and sustain its existence.

Rewarding exceptional performers, innovators and role models for inspiring other staff to increase programme effectiveness, improve efficiency or mobilize financial resources.

Equal opportunity, special consideration for women and people with Disability: GBTI is an equal opportunity employer. GBTI is committed to recruit and select most competent and qualified persons.
