The Institute continues to administer Certified Communications (CCC) and video certification throughout your organization. The Program's Non-Certification member services include: Program member support, access to quality, state-of-the-art equipment, free field support, and interface of technical support. By completing our program of certification, you allow participants to focus on their training, the Program Board. Our field support team provides you with the necessary information and support to ensure your training is successful.

[illegible]

Major cash funds continued to offer attractive yields. Improved systems (e.g., the United Kingdom's cash rate cap system) put a lid on the cash rate. Moreover, the Federal Reserve's clearing communications with the European Central Bank and the Bank of Japan, along with the strengthening situation with the International Monetary Fund, bode well for the future of the dollar.

When Phosphorus Trioxide is added to a solution of phosphoric acid, it forms a complex which is known as phosphoric acid trioxide. This complex is formed by the reaction of phosphoric acid with phosphorus trioxide. The reaction is as follows:

[illegible]

100

- Studies and other non-quantitative research carried out and discussed under direction/throughout of highly qualified advisors
- Projects and work independently throughout should involve
