

Saturday Session: Block One

Plan by Peter Murray, sports scientist at Leicester

LIFT TOUCH-DROP OFF

Use this great conditioning game as part of your weekend session. Break up training with rugby-specific skills work.

General

- 15 v 15 players, full pitch
- If you have more numbers at training, split the teams up and play two matches across the field
- If you have fewer numbers, reduce pitch dimensions
- Play for at least three minutes continuously. This is the average duration of the longest period of play in rugby – ie, the worst-case scenario. Rest for one minute. Play four games of this, with a minute's rest between each game. Or to really challenge people, include some wrestling drills in-between each game for two to three minutes

Defence

- Two-man touch – both 'tacklers' retreat quickly to their own 22m line before getting back into the defensive line

Attack

- 'Lift' the ball through your legs when you are touched to anyone behind you playing scrum-half – this keeps the pace of the attack high
- Use a different scrum-half at every tackle
- Five touches – kick on the 'sixth' or last touch

Equipment

- One rugby ball and someone to referee it!

Touch type
Saracens work
on their skills

Aims

This game – to be played alongside team shape training on a Saturday – will challenge your running fitness. It should be more intense than the hardest phases in a match (in terms of running). Having two defenders drop off after every touch should narrow the defence and create space for attackers. If defenders don't work hard enough to get into the line, the attack should score often!

Play for three minutes, but with a fit group you can push them for five. As they get fitter, challenge them with grappling drills between games – but have some rest between bouts!

Coaching Cultures Neil Carter,2014-06-11 Coaches are amongst the most visible figures in sport today but little is known about the history of their profession This book examines the history of coaching from the early nineteenth to the late twentieth century It uses a number of sports as case studies that includes cricket swimming rugby union athletics football and tennis The focus is largely English but international examples are used to illuminate the British context A number of themes are explored Initially in the 1800s the coach was like an artisan who learned his skills on the job and coaching was similar to a craft Early coaches were professionals but from the late nineteenth century an amateur elite governed British sport who inhibited and in some sports banned coaching As the twentieth century progressed though different sports at different stages began to embrace coaching as international competition intensified In addition the nature of coaching changed as a more scientific and managerial approach was applied Finally in football the export of early British coaches is examined in light of the migration of international athletes and also as a process of knowledge transfer This book was published as a special issue of Sport in History *Spalding's Official Interscholastic Foot Ball Guide* ,1926 *Book 5: Learn @ Home Coaching Rugby Union Project* Bert Holcroft,2019-05-17 The Holcroft saga is a rugby story the like of which may never have been equaled in the history of the game It begins over a century ago when Mr George Holcroft took charge of Leigh St Peters RLFC in 1889 He married and when his family grew Jack Harry William and Tom all played for local teams They married and George s grandsons Bert and Bill also played Bert Holcroft has been a distinguished servant for the game of rugby all his life He holds coaching certificates from both the Australian and British governing bodies one of only a handful of men to achieve such an honor in the game s history For twenty odd years Bert Holcroft has had one of the unlikeliest jobs in sport teaching Australian rugby coaches how to coach Considering the Australian dominance in the World Rugby in recent years that might seem par with taking coal to Newcastle But make no mistake Bert Holcroft has done as much as anyone to ensure Australia s reemergence as a major rugby power On the face of it Australia wouldn t seem to need any outside help let

alone from a Pom Their record of only one test defeat since 1978 speaks for itself But Bert s reputation is nationwide down under quite simply he s one of the best in the business Bert who played for Leigh between 1950 60 has spent much of his latter years Down Under lecturing to top grade coaches in New South Wales Born and bred in Cameron Street Leigh Bert has few peers when it comes to teaching the basics of the 13 a side game Since migrating in the late 60s Bert has dedicated his life to coaching and fitness techniques Teams in Queensland New South Wales and Sydney have all come under his influence often with spectacular results Bert s credentials are impeccable Last summer he achieved the highest accolade in Australia his grade 3 certificate personally signed by the then Australian league chairman Kevin Humphreys and the director of coaching Peter Corcoran Three years earlier Bert has sailed through his grade 1 and 2 with flying colors In 1953 he was awarded his senior coaching certificate in England Bert who held a number of posts at Hilton Park before immigrating to Australia has spent a lot of his time heavily involved with rugby in the universities there He became director of coaching for the University of New South Wales and later coach of the Combined Universities side He was awarded coaching accreditation by the Australian Institute of Sport Department of Sport and Recreation New South Wales and the NSW Rugby League for administration as well as national coaching certificates in both Britain and Australia being one of only a handful of people to do so Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs
