*An Angel of Obedience* John Giessmann, 2010-02-16 Jackson Carter just wants a normal life Sure at thirteen he's just retired from an illustrious career as a classical musician and entered Harvard as a freshman mathematics major And yeah he's responsible for raising his two younger brothers while mom is off in Brazil or Thailand spending every last dime they have But he'd still just like a couple of friends to hang out with and maybe even a girlfriend But a normal life just isn't Jackson's destiny He has become obsessed with patterns the mathematical properties found in the formation of clouds the outline of a mustard stain on a picnic table the intricate working of light and dark found in a curtain at the Sydney Opera House When his mathematics instructor shows him a fractal image Jackson becomes so engrossed that he cannot look away Then someone hammers a pre-Roman curse to his front door summoning an angry demon and his littlest brother starts receiving messages from Eddie Cochran the dead Rockabilly singer And of course there are the corporate

paramilitary units stalking the parking lots of Harvard his other brother's hysterical blindness and a demented ex-weatherman from Little Rock Arkansas who thinks Jackson is an evil genius who needs a good ass kicking And oh yeah everyone seems to think Jackson may be the anti Christ So much for a normal life An Angel of Obedience is the sometimes funny sometimes scary always exciting tale of Jackson Carter boy genius overburdened older brother and potential destroyer of the known universe It's a story that just goes to prove that when time and space are on the brink of extinction that's when you need your friends and family the most      **Prisms** Karen Salley-Rice,2008-12-12 As a high school junior the spectrum of Kate Mckenzie's life is laid out before her Although she doesn't enjoy school's drudgery she is looking forward to her senior year and venturing into the world Her dreams change in a flash though when she kills a would-be rapist in self-defense her life has changed forever She thought no one witnessed the murder but soon discovers that Rusty the Lad in Leather as Kate's mom calls him saw the whole thing As the son of the richest man in town Rusty knows his father wants him to marry and settle down before managing a piece of the family business He sweetly blackmails Kate into marriage but then strips away her every freedom plunging her life into desolation Just as Rusty used her to escape his circumstances Kate devises a plan to escape his vicious control Prisms cast colorful light onto how circumstances choices and a woman's convictions lead her out of darkness and into a life of light      *Surf's Up in the City of Angels* James Scott Lafon,2023-12-22 Surf's Up in the City of Angels is a captivating tale set against the vibrant backdrop of Los Angeles where the city's eclectic mix of characters find themselves navigating the turbulent waters of life The story centers around a diverse group of individuals each with their own unique struggles and aspirations who come together in a Generic Therapy Group to confront their personal demons and pursue their dreams From Dr Richard Schmidt a psychotherapist who balances his professional duties with his love for surfing to Monique a hairstylist with aspirations in the adult film industry the characters' lives intertwine in unexpected ways The narrative takes readers on a rollercoaster ride through therapy sessions art galleries and even a trip to Portugal for a big wave surfing competition As the characters strive to get right with the world they encounter a series of surprising and transformative events These include Dr Schmidt and Veronika's surfing adventure in Nazare Portugal Rusty Doors' comedic rise in Las Vegas with his parrot Captain Kidd and Marty Marvel's political ambitions in Los Angeles The book offers a humorous yet poignant exploration of human resilience ambition and the quest for fulfillment      *Angel's Return* I.G. Whit,2011-10-10 How many times have you looked at a person and made a snap judgement of who and what they were It is my opinion you should not make any preconceived judgements based on ignorance Give that person an opportunity to show you who and what they are and most of the time you'll find an extraordinary individual one you'd have missed if you'd based your acquaintance on your first glance I made that mistake once and when I'd discovered my error believe me I have never done such a thing again And that goes for persons of different races creeds and religions We are all one under the skin
