Laughter and sparks set the stage for a fun romance from New York Times bestselling author Ruth Cardello about a farmer who switches places with his business savvy twin brother and falls in love with the daughter of his brother's biggest client. I just found out I have an identical twin. I'd love the idea if he wasn't an arrogant overconfident businessman who is determined to save my farm even though I'm in no danger of losing it. When I agreed to switch lives with him, it was supposed to be for a couple of hours. I was told to lie low, meet no one, and let him deal with the oil company that was sniffing around my property. I agreed to the switch only because it was the first time since we'd met that my twin had shown interest in my life, and I hoped it would give us a better understanding of each other. Hours drag into days. I consider our initial agreement void and head to his office. I'm sitting at his desk, mostly minding my own business, when a beautiful woman blusters in, ready for a confrontation with my brother about an email. She's the daughter of my brother's largest client. I only flirt with her to make her smile. What could it hurt to pretend to be my brother just a little longer? I didn't expect to uncover a plan to sabotage my brother's company. I don't want to believe that the woman I can't get out of my thoughts and would love to get into my bed has anything to do with what I've discovered. Save the company. Save the girl. I have no idea how I'll do either, but when something is done out of love, it has to work out. **The Temptation Series** Ruth Cardello, 2015-01-12.
