Wilson, 2011-03-01 John K Wilson the author of President

Trump Unveiled tackles the ideologies of America s most notorious conservative radio talk show icon in The Most Dangerous Man in America Rush Limbaugh s Assault on Reason Rush Limbaugh is the most prominent figure in the conservative movement with millions of listeners every week on more than six hundred stations a larger media platform than almost any other individual in the nation And this is why he is so dangerous Despite refusing to uphold even the most basic standards of journalism Rush has been given an extensive wide reaching platform with which to spew his venom And spew it he does In this book author John K Wilson uses the most damning evidence of all Rush s own words to deliver the ultimate indictment of Limbaugh s bankrupt ideology and how it embodies the decline of the conservative movement Wilson catalogs the world according to Rush from the political conspiracies to his disdain for scientific evidence and apparent love of racist sexist and homophobic stereotypes and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs lies and intimidation Most revealingly the author demonstrates how Limbaugh s blustering baseless proclamations and love for savage personal attacks have had a chilling effect on both parties as he viciously targets not only liberals but also any Republican who dares question one of his conclusions Meanwhile Rush s viselike grip on the political arena has created a

media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse The Most Dangerous Man in America reveals Rush Limbaugh to be just that No matter what you thought about the man before you will never feel the same way about him again Mightier Than the Sword Rodger Streitmatter,1998-02-13 For more than two centuries American journalism has played a seminal role not merely in recording this nation s history but also in shaping it By looking at fourteen discrete events from the 1760s through the 1990s this book reveals that as the American news media report and comment on events of the day they wield enormous impact on those events Index 27 photos cartoons
