wealthy divorced woman who is merely marrying a handsome man who happens to be a war hero as an excuse to dump her first and older husband The novel has a surprise twist at the end A huge flood surges through the vale coming from a burst dam at a nearby reservoir It just so happens that the gipsy man is approaching the rectory house Nobody is at home but Yvette and her blind grandmother In the nick of time the brave gipsy man rescues Yvette despite the fact that the surprise flood washes most of the rectory away drowning the grandmother A moving scene ensues as the gipsy hero breathes life and warmth back into the virginal Yvette who feels the powerful attraction of his manhood and strength She falls asleep and the gipsy disappears Her family returns home to find her safe and they adulate the gipsy as her savior
