United States Consulate General
Address of the Consulate

Dear Honorable Consul,

SADE OMOTOLEWA - PASSPORT NO AO234567 - DATE OF BIRTH (24 JUNE, 1983)

My name is Maya Louhre, and I reside at 4532 68th Street, New York, NY 12546. I am a United States citizen (or lawful permanent resident alien).

I am requesting that you issue a tourist (B-2) visa to my girl friend Sade Omotolewa who resides at 234 lane, House 2, Mararaba Estate, Ikeja, Lagos, Nigeria. This is to allow her to visit with me in the United States. We have been friends for the past 2 years and I would like her to visit, this summer.

Sade will be visiting with me from June 1st 2016 to June 30th 2016. This will be a great time because we will both be off work at this time. During her stay in the United States, she will stay with me at my home at the address stated above.

I will be responsible for all of her accommodation expenses while she is in the United States. Upon the termination of her visit, she will return to Lagos, Nigeria.

Sade will be presenting this letter to you, together with other evidence to establish her close ties with Nigeria, and to assure you that she will return prior to the expiration of her stay in the United States.

Your kind consideration to this request will be greatly appreciated.

Yours Truly,

Maya Louhre

Visa Invitation Letter For Cousin Samples:

Schengen Visa Implementation and Transnational Policymaking Federica Infantino, 2019-02-06 This book examines the timely topic of controlling the borders of the European Schengen Area. It considers the state perspective on border regulation subjecting day to day practices of EU visa policy implementation to close analytical scrutiny. The objects of the analysis are three European Member States: France, Belgium, and Italy, that implement EU visa policy in Morocco, a country whose nationals are considered to be a migratory risk for the EU. The book focuses on the implementation of EU visa policy in the consulates of Belgium, France, and Italy in Casablanca. The empirical research and the comparative perspective make this book distinct. The book uses a comprehensive implementation approach by taking account of the local, national, and supranational locations of policy making. It builds on in-depth pioneering fieldwork and a comparative research design that includes those three locations. The research design has determined the evolving of the puzzle and the realizing of the unanticipated cross-national differences diminish when policy is put into practice. Extensive research into the visa sections of those EU Member States provides highly original material that sheds light on the obscure black box of EU visa policy implementation, therefore contributing to policy studies, migration studies, and studies on the European Union. Farewell,

Mama Odessa Emil Draitser, 2020-01-15 Set in the summer of 1979 at the height of the movement to free Soviet Jewry, *Farewell, Mama Odessa* is an autobiographical novel whose intertwined storylines follow a variety of people, dissidents, victims of ethnic discrimination, and black marketeers among them as they bid farewell to their beloved hometown of Odessa, Ukraine, and make their way to the West. At the book's center is Boris, a young writer thwarted by state censorship and antisemitism. With an Angora kitten for his companion and together with other migrants, he puts the old country in his rear view mirror and sets out on a journey that will take him to Bratislava, Vienna, Rome, and New York on his way to Los Angeles. Will Boris be able to rekindle his creative passion and inspiration in the West? Will other Jewish migrants fit into the new society so much different than the one they left behind? With humor and compassion, *Farewell, Mama Odessa* describes the migrants' attempts at adjustment to the free world.

Ethiopia - Culture Smart! Culture Smart!, Sarah Howard, 2021-03-04 Don't just see the sights, get to know the people. Set in Africa but not wholly African, an isolated nation yet receptive to the outside world, hierarchical and conservative yet innovative and desirous of modernity, conformist as a people and fiercely independent as individuals, the Ethiopian identity defies definition. Ethiopia exists simultaneously in different time periods. Its people, when they see something new that might work to their advantage, will embrace it and find ways to improve on it. Modern democracy, however, has understandably been slower to bloom given the strong historical antecedents of its monarchy. *Culture Smart: Ethiopia* unpacks the values, attitudes, and traditions of this culturally rich nation. Etiquette in daily life, socializing, and communicating are all helpfully described, and advice is given on how to make the most of a visit. Above all, it provides the tools to do so in a considerate and sensitive manner. Have a richer and more meaningful experience abroad.
