The Spirituality of Comedy Conrad Hyers, 2017-07-28 To understand comedy is to understand humanity for the comic sense is central to what it means to be human Nearly all the major issues with which human beings have exercised themselves are touched upon in some manner by the comic spirit Yet education in the art of comedy and in comic appreciation is given little attention in most societies The Spirituality of Comedy explores the wisdom of comedy and the comic answer to tragedy in both popular and classical senses of the term Tragedy is seen as a fundamental problem of human existence while comedy is its counterweight and resolution Conrad Hyers has taken a fresh look at comedy from the standpoint of comparative mythology and religion and thus comedy s spiritual significance In his unique study of the comic tradition Hyers explains the difficulty in pinning down themes structures plots or characters that are common to all comedy Instead he argues that there is an essence of comedy in the area of pattern He draws upon the rich historical ensemble of types of comic figures the humorist comedian comic hero rogue trickster clown fool underdog and simpleton He shows how each type incarnates a comic heroism in its own unique manner offering a profound wisdom and philosophy of life The approach of this book is broadly interdisciplinary with materials and interpretations introduced from the various fields of the humanities social sciences and natural sciences as they illuminate both the tragic and comic sensibilities The methodological

thread that draws this all together is an analysis of the major types of comic figures in terms of the myths and legends associated with them the rituals they produce and enact and the symbolism of the comic figures themselves Written in a very readable literary style The Spirituality of Comedy will appeal to psychologists social scientists clergy philosophers and students of literature *Billboard* ,1946-05-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
