out of many hundreds who have taken part after the initial auditions Turning to the cookery or business franchises there are few who go on to achieve lasting success in their chosen career In these it is equally likely that the winners go on to enjoy success with media careers rather than as chefs or entrepreneurs The most successful franchise of all is the fashion model competition Next Top Model which has yielded a high hit rate in terms of career success What the analysis here also reveals is that it isn't only the winners who ultimately benefit the most from their appearances in these shows Moreover television picks its own stars by recruiting contestants because they are telegenic or have a good backstory as much as for their relevant talents In this way a talent hungry medium has co-opted these franchises to replenish its own needs

Dark Horse Records Aaron Badgley, 2024-11-06 In 1974 with Apple winding down George Harrison still aspired to help new artists

so rather than trying to salvage Apple he set up his own label Dark Horse Records on a much smaller scale His plan was to release records from new artists as well as some of his old friends with an eye to eventually releasing his own music While Dark Horse had an encouraging beginning with a hit single from Splinter the label Suffered increasing problems failing to establish itself in the way Harrison hoped However some incredible and varied music was created from 1974 to 1977 including some of Harrison s best solo material Towards the end of its initial life Dark Horse dropped most of its artists and released mainly Harrison s solo work Thankfully since 2020 Dhani Harrison has taken the reins and has made Dark Horse viable once again signing Cat Stevens and Billy Idol and releasing music from Joe Strummer and Leon Russell Finally in 2023 it was announced that Harrison s entire solo catalog was going to be re released on Dark Horse This book tells the story of the label from the beginning through its struggles and on to its exciting renaissance in the new millennium At a very young age Aaron Badgley developed a profound love of The Beatles and music in general also developing a fascination with record labels At the age of 19 he started working in radio and by the age of 20 he was a production manager for a number of stations in Canada In 2005 he debuted his syndicated radio show The Beatles Universe which ran for six years Currently he is the host of Here Today and Backwards Traveller radio shows and co hosts From Memphis To Merseyside and The Way Back Music Machine with Tony Stuart He writes for Spill Magazine and Immersive Audio Album He has also contributed to the All Music Guide Aaron resides in Toronto Canada
