United States Navy
26TH EDITION

THOMAS J. CUTLER, MARK T. HACALA,
AND PAUL A. KINGSBURY

Us Navy Blue Jacket Manual

**United States Naval Institute, United
States. Navy**

Us Navy Blue Jacket Manual:

The Bluejacket's Manual Thomas J. Cutler, Mark T. Hacala, Paul A. Kingsbury, 2023-04-12 The 26th edition of The Bluejacket's Manual continues the tradition of previous editions of this iconic work by serving as both an introduction to neophyte U S Navy Sailors and as a career long reference work for all who wear the Blue and Gold Readers of previous editions will note two significant changes in this latest rendition The first recognizes the U S Navy's current emphasis on warfighting While routine and administrative guidance such things as uniforms honors and ceremonies pay and benefits standards of conduct etc remain this latest edition places greater emphasis on those aspects that Sailors are likely to encounter and must prepare for in the event of combat The first chapter is titled and focused on warfighting reflecting the emphasis on Warrior Toughness in the training curriculum at Recruit Training Command AKA boot camp at Great Lakes Illinois Readers will find that this training emphasizes the psychological as well as practical aspects of preparation providing a kind of philosophy that is tailored to Bluejackets who may well find themselves facing the challenges inherent to combat operations Other chapters in the book such as Weapons and Damage Control complement this emphasis The second major change to the book is its organization of information The result is a more user friendly book As always the major purpose of revision is to bring the included information relevant and up to date Readers will find coverage of those aspects of the Bluejacket's world that are evolving Such things as cyberwar and drones are now included with the emphasis on warfighting The Bluejacket's Manual 26th Edition is a comprehensive yet manageable reference that will continue to serve the needs of the Navy and those who serve

The Bluejackets' Manual, 1915 **The Bluejacket's Manual** Thomas J. Cutler, 2017-11-15 From the days of oars and coal fired engines to the computerized era of the 21st century The Bluejacket's Manual has been an essential part of the American Sailor's sea bag for over one hundred years serving as an introduction to the Navy for new recruits and as a reference book for Sailors of all ranks Written by a Sailor whose decades of naval service included sea duty in patrol craft destroyers cruisers and aircraft carriers as both an officer and a white hat this newest edition has been overhauled to reflect the current state of the ever evolving United States Navy and includes chapters on ships and aircraft uniforms weapons damage control communications naval customs and ceremonies security leadership pay and benefits naval missions military fundamentals and seamanship Since Lieutenant Ridley McLean wrote the first edition of this perennial classic the Navy has grown from fledgling sea power to master of the world's oceans and both technology and American culture have changed in ways probably unimaginable in his day Although The Bluejacket's Manual has necessarily evolved through more than twenty revisions to reflect those changes its original purpose has remained steadfastly on course Like its predecessors this new edition makes no attempt to be a comprehensive textbook on all things naval to do so today would require a multivolume set that would defy practicality but it continues to serve two very important purposes First it serves as a primer that introduces new recruits to their Navy and helps them make the transition from civilian to Sailor

Second it serves as a handy reference that Sailors can rely on as a ready source of basic information as they continue their service whether for only one hitch or for an entire career To that end this 25th edition has been reorganized to more efficiently reflect those dual purposes with the first part of the book consisting of Chapters that provide introductions and basic explanations that Sailors new to the Navy will find most helpful and the second part consisting of Tabs that deal with specifics often mere tables that seasoned Sailors will find useful for reference purposes Also unique to this latest edition has been the creation of an accompanying website that will serve to keep the book current and provide valuable supplementary material In total this latest edition of a recognized Navy classic continues to serve today s Bluejackets and Old Salts in the traditional manner while providing a fresh approach that will be welcomed by potential recruits Navy buffs and a growing number of Bluejacket Manual collectors

The Bluejacket's Manual ,1917 *The Bluejackets' Manual* Ridley McLean,Norman Reeve Van der Veer,1918 **The Bluejackets' Manual** Ridley McLean,United States. Navy,United States Naval Institute,1978 [The Bluejacket's Manual: United States Navy \(1917\)](#) Norman Reeve Van Der Veer,2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Bluejackets' Manual John Vavasour Noel,1963 **The Bluejackets' Manual** Ridley McLean,Norman Reeve Van der Veer,1917 **The Bluejackets' Manual, United States Navy, 1927, Seventh Ed., Rev. May 1927** United States. Navy Department,1928 [The Bluejackets' Manual](#) , [The Bluejackets' Manual](#) Bill Wedertz,1978 **The Bluejacket's Manual, United States Navy. 1922** Ridley McLean,1924 *The Bluejackets Manual* Norman Reeve Van Der Veer,2014-08-07 This Is A New Release Of The Original 1917 Edition **The Bluejackets' Manual** Thomas J. Cutler,2002 In 1902 when Lt Ridley McLean first wrote this sailor s bible he described it as a manual for every person in the naval service One hundred years later it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel from seaman to admiral New technology is artfully blended with ancient heritage facts and figures are augmented by helpful advice and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century Updated throughout the book provides the latest Navy ratings uniforms ships aircraft and weapons as well as current Navy policies on hazing fraternization education and physical fitness and a completely new chapter explaining the Navy s mission in terms of its rich heritage
