The Prostitute's Body Nina Attwood, 2015-10-06 Attwood examines Victorian attitudes to prostitution across a number of sources medical literary pornographic "And Never Know the Joy", 2016-08-29 And Never Know the Joy Sex and the Erotic in English Poetry promises the reader much to enjoy and to reflect on riddles and sex games the grammar of relationships the cunning psychology of bodily fantasies sexuality as the ambiguous performance of words the allure of music and its instruments the erotics of death and remembrance are just a few of the initial themes that emerge from the twenty five articles to be found in this volume with many an invitation to seize the day Reproduction pregnancy and fear discredited and degraded libertines the ventriloguism of sexual objects the ease with which men are reduced to impotence by the carnality of women orgasm and melancholy erotic mysticism and religious sexuality the potency and dangers of fruit and flowers the delights of the recumbent male body and of dancing girls the fertile ritual use of poetic texts striptease and revolution silent women reclaimed as active vessels are amongst the many engaging topics that emerge out of the ongoing and entertaining scholarly discussion of sex and eroticism in English poetry Nights Out Judith Walkowitz, 2012-05-15 London's Soho district underwent a spectacular transformation between the late Victorian era and the end of the Second World War its old buildings and dark streets infamous for sex crime political disloyalty and ethnic diversity became a center of culinary and cultural tourism servicing patrons of nearby shops and theaters Indulgences for the privileged and the upwardly mobile edged a dangerous transgressive space imagined to be outside the nation Treating Soho as exceptional but also representative of London's urban transformation Judith Walkowitz shows how the area's foreignness and porousness were key to the explosion of culture and development of modernity in the first half of the twentieth century She draws on a vast and unusual range of sources to stitch together a rich patchwork guilt of vivid stories and unforgettable characters revealing how Soho became a showcase for a new cosmopolitan identity Classics in Extremis Edmund Richardson, 2018-12-13 Classics in Extremis reimagines classical reception Its contributors explore some of the most remarkable hard fought and unsettling claims ever made on the ancient world from the coal mines of England to the paradoxes of Borges from Victorian sexuality to the trenches of the First World War from American public school classrooms to contemporary right wing politics How does the reception of the ancient world change under impossible strain Its protagonists are marginal figures who resisted that definition in the strongest terms Contributors argue for a decentered model of classical reception where the marginal shapes the central as much as vice versa and where the most unlikely appropriations of antiquity often have the greatest impact What kind of distortions does the model of centre and margins produce How can marginal receptions be recovered most effectively Bringing together some of the leading scholars in the field Classics in Extremis moves beyond individual case studies to develop fresh methodologies and perspectives on the study of classical reception Unauthorized Pleasures Ellen Bayuk Rosenman, 2003 Recent books and exhibitions have shown that Victorians were not so straitlaced about sexual matters as has been popularly assumed Ellen Bayuk Rosenman's engrossing and enlightening book proves that the Victorians were extraordinarily articulate and resourceful when it came to expressing their sexual desires Narratives of erotic experience were written justified to the conservative culture and circulated for the pleasure of readers Rosenman's exploration of masculinity and femininity in Victorian sexual storytelling includes an account of the spermatorrhea panic that terrified the men of Britain tells of Theresa Longworth s erotic revisions of the romance plot and takes up the exhaustive even exhausting pornographic epic My Secret Life Drawing on social history court cases medical literature popular novels and the diaries and letters of everyday life Rosenman looks beyond the usual sexual suspects homosexuals and prostitutes for example to address a range of pleasures that emerged from the ideological structures meant to contain them She asserts that however powerful ideology is it does not script erotic repertoires in definitive or predictable ways and that individuals can find ways of evading or easing its constraints The Struggle for Free Speech in the United States, 1872-1915 Janice Ruth Wood, 2011-10-25 This book chronicles the struggles of the Drs Foote examining not just their efforts to further individual rights and women s health but also the larger issues surrounding free speech and censorship in the Gilded Age of American history Disreputable Pleasures Mike Huggins, J. A. Mangan, 2004-08-26 Challenging the respectable image of Victorian society this irreverent revisionist collection explores the sinful side of middle class Victorian leisure highlighting the problematic relationship between public respectability and private pleasure

a society in which sexual ignorance was widespread that effective family limitation was achieved without the mass adoption of new contraceptive technologies that traditional methods such as withdrawal abstinence and abortion were often seen as preferable to modern appliances such as condoms and caps that communication between spouses was not key to the systematic adoption of contraception and above all that women were not necessarily the driving force behind the attempt to avoid pregnancy Women frequently avoided involvement in family planning decisions and practices whereas the vast majority of men in Britain from the interwar period onward viewed the regular use of birth control as a masculine duty and obligation By allowing this generation to speak for themselves Kate Fisher produces a richer understanding of the often startling social attitudes and complex conjugal dynamics that lay behind the vast changes in contraceptive behaviour and family size in the The Lesbian and Gay Studies Reader Henry Abelove, 2012-10-02 Bringing together forty two groundbreaking essays many of them already classics The Lesbian and Gay Studies Reader provides a much needed introduction to the contemporary state of lesbian gay studies extensively illustrating the range scope diversity appeal and power of the work currently being done in the field Featuring essays by such prominent scholars as Judith Butler John D Emilio Kobena Mercer Adrienne Rich Gayle Rubin and Eve Kosofsky Sedgwick The Lesbian and Gay Studies Reader explores a multitude of sexual ethnic racial and socio economic experiences Ranging across disciplines including history literature critical theory cultural studies African American studies ethnic studies sociology anthropology psychology classics and philosophy this anthology traces the inscription of sexual meanings in all forms of cultural expression Representing the best and most significant English language work in the field The Lesbian and Gay Studies Reader addresses topics such as butch fem roles the cultural construction of gender lesbian separatism feminist theory AIDS safe sex education colonialism S M Oscar Wilde Gertrude Stein children's books black nationalism popular films Susan Sontag the closet homophobia Freud Sappho the media the hijras of India Robert Mapplethorpe and the politics of representation It also contains an extensive bibliographical essay which will provide readers with an invaluable guide to further reading Contributors Henry Abelove Tomas Almaguer Ana Maria Alonso Michele Barale Judith Butler Sue Ellen Case Danae Clark Douglas Crimp Teresa de Lauretis John D Emilio Jonathan Dollimore Lee Edelman Marilyn Frye Charlotte Furth Marjorie Garber Stuart Hall David Halperin Phillip Brian Harper Gloria T Hull Maria Teresa Koreck Audre Lorde Biddy Martin Deborah E McDowell Kobena Mercer Richard Meyer D A Miller Serena Nanda Esther Newton Cindy Patton Adrienne Rich Gayle Rubin Joan W Scott Daniel L Selden Eve Kosofsky Sedgwick Barbara Smith Catharine R Stimpson Sasha Torres Martha Vicinus Simon Watney Harriet The Oxford Encyclopedia of British Literature Whitehead John J Winkler Monique Wittig and Yvonne Yarbro Bejarano David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of
