Prerequisite for Suicide Howqunia TacMam, 2022-01-21 I hope this is a great book for you For me this is my life It's kind of hard to believe that so many terrible things can happen to one person My whole life I've been falling literally and figuratively I was molested as an infant by a toddler and during elementary years I became a molester I used to be a stripper with many grocery bags full of rubber bands wrapped around stacks of hundreds of thousands of dollars and I kept it under my bed Then I ended up broke and homeless How did that happen How does a person with seven siblings have no family How does a person who is giving loving and loyal have no friends The answer to those questions and much more including the most popular question that people have the nerve to ask me all the time Why you don't smile Which you will find out in this book You will also learn about me being teased bullied neglected molested raped and my anxiety depression rickets pica my stay in a mental hospital my dysfunctional family my almost fatal experience donating plasma and my life in the adult industry Mostly while dealing with suicidal thoughts Also learn about homosexuality and see who is disloyal unfaithful and who commits arson and murder If you know someone who struggles with suicidal thoughts maybe this will help you help them Maybe you can be inspired by someone who is suicidal now and has been on and off for years and suicide runs in the family yet I am still alive Maybe someone reading this can prevent the suicide of their friend or family member A lot of the times when someone commits suicide the main people crying are the ones who caused it or at least did not help They say There were no signs When their entire life was one big sign Their life was a Prerequisite For Suicide
