UROLOGY SURGERY

2021 Medicare Physician, Hospital Outpatient, ASC Coding and Payment

Rates listed in this guide are based on their respective site of care: physician office, ambulatory surgical center, or hospital outpatient department. All rates provided are for the Medicare National Average rounded to the nearest whole number for 2021 and do not represent adjustment specific to the provider's location or facility. Commercial rates are based on individual contracts. Providers are encouraged to review contracts to verify their specific contracted allowables.

Medtronic products used associated with wound closure procedures addressed within this guide do not have dedicated HCPCS² level II coding assignment. Providers may choose to report A4649 Surgical supply miscellaneous for purposes of cost tracking. Medicare considers the use of surgical supplies to be included in the payment for the associated CPT and no additional payment is allowed.
