The Early Republic Complete Unit Guide Packet

Overview

The principles of the Constitution and election of George Washington as America's first president finally unified the turbulent times of the Revolution and established the Constitution. However, after decades for the new Republic to develop, in the summer of 1789, farmers in Pennsylvania and a protest known as the **Pennsylvania Mutiny** that Washington himself went to put down.

A crisis in Washington's Capital led to the development of America's **first political parties**. Federalists and Democratic-Republicans. Washington warned against the development along with American getting entangled in foreign affairs in the **Neutrality Proclamation**. His Vice President John Adams represented him as America's second president and also secured peace. Their relations was the XYZ Affair and resulting Quasi-war with France. The resulting unrest led Adams to sign a bill known as the **Alien and Sedition Acts**. These controversial laws made it harder for any immigrant to become a citizen. Adams's president is important for citizens who were concerned religious and civil liberties making these statements that were critical of the government.

Adams was defeating Jefferson in the Election of 1800. Jefferson called it a "Revolution without blood" and the peaceful transfer of power to the Democratic-Republican Party. Jefferson wanted the expansion of the United States with the Louisiana Purchase and began a "Virginia Dynasty" that lasted the presidency from 1800 to 1808. After Jefferson's two terms as president, he was followed by two other famous Democratic-Republicans from Virginia, James Madison and James Monroe. After Madison was elected, he kept the United States in the War of 1812. Monroe kept America safe in peaceful time known as the "Era of Good Feelings".
