Koontz, 2011-05 In *Frankenstein* Lost Souls

Dean Koontz puts a singular twist on this classic tale of ambition and science gone wrong to forge a new legend uniquely suited to our times. It is a story of revenge, redemption, and the thin line that separates human from inhuman. The work of creation has begun again. Victor Leben, once Frankenstein, has seen the future and he's ready to populate it. Using stem cells, organic silicon circuitry, and nanotechnology, he will engender a race of superhumans, the perfect melding of flesh and machine. With a powerful enigmatic backer and a secret location where the enemies of progress can't find him, Victor is certain that this time nothing can stop him. It is up to five people to prove him wrong. In their hands rests nothing less than the survival of humanity itself. They are drawn together in different ways, by omens sinister and wondrous, to the same shattering conclusion. Two years after they saw him die, the man they knew as Victor Helios lives on. As they gather at a small Montana town, old alliances will be renewed and tested from within and without, for the dangers they face will eclipse any they have yet encountered. Yet in the midst of their peril, love will blossom, and joy, and they will discover sources of strength and perseverance they have not imagined. They will need them for a monumental battle is about to commence that will require all their ingenuity and courage, as it defines what we are to be, and if we are to be at all.

*The "Supreme Gentleman" Killer* Brian Whitney, 2020-03-17 True Crime Garage Podcast Recommended Reading The bizarre story of Elliot Rodger, prepare to have your mind blown. Patrick Quinlan, bestselling author of *Smoked*. This is the story of Elliot Rodger and how he turned from a nice, quiet, polite young man to the first self-identified incel, involuntarily celibate killer. Elliot Rodger considered himself to be intelligent, refined, handsome, fashionable, and charming. He spent years trying to be cool so women would like him. He thought if he just wore expensive and fashionable clothing, had a better car, or if he were rich, then women would throw themselves at him. In fact, he thought himself to be The Supreme Gentleman. Yet women paid no attention to him. His only conclusion was that they were genetically flawed, and because of this, they ignored him and threw themselves at men who were ignorant, savage brutes. In his mind, his lack of success with women had ruined his life. He began to psychologically deteriorate. Rodger decided to get revenge. He spent months planning his Day of Retribution, an act where he would kill as many attractive women and the type of men that they were drawn to as he could in a savage attack. Then he acted on his plan, killing 6 people and wounding numerous others in what became known as the Isla Vista Massacre. The story does not end with Rodger, however, as numerous other incels have since committed copycat attacks.
