## Motorcycle Licenses, Ownership, Special Rules

### LICENSES

To operate a motorcycle in New York State, you must have a motorcycle operator's license (Class M) or a motorcycle junior operator's license (Class MJ). You may drive a motorcycle in New York if you are a resident of another state or country and have a valid motorcycle license from there. If you are less than 18 years old, you must obey the license restrictions for both the out-of-state jurisdiction **and** New York State.

The instructions to apply for a driver license, including a motorcycle license, are provided in Chapter One of the NYS Driver's Manual. You should study that manual in addition to this one, even if you already have a license. Your motorcycle license written test will be based on information from both manuals. The Driver's Manual also contains the junior operator and learner permit restrictions, information on license suspension and revocation and vehicle registration, title and insurance.

In addition to the information in the Driver's Manual, motorcycle operators must be aware that:

- When a motorcycle learner is practicing, the supervising driver must hold a valid motorcycle license, be at least 21 years old and remain within 1/4 mile of the learner at all times. Additional restrictions apply to junior learners. The supervising driver need not ride on the learner's motorcycle, but no other supervising driver may be a passenger. The learner and supervising driver should remain within sight of one another at all times and discuss the learner's performance after practice. We recommend at least 30 hours of practice, with at least 10 in moderate to heavy traffic.
- Your road test will include left and right circles and figure-eights on public streets. In addition to normal driving maneuvers, you must be able to accomplish these while being alert for other traffic.

If you take the test on a three-wheeler, your motorcycle license will be restricted to driving three-wheelers.

- You must provide road test transportation for the license examiner in a properly registered, and inspected car or truck, and a driver at least 18 years old who is licensed to drive both this vehicle and the motorcycle you will drive during the test.
- If you already have a driver license, your current class and motorcycle class will both be listed on one license document (for example, Class DM).
- If you already have another class of driver license and a motorcycle operator's learner permit, the DMV will waive your motorcycle road test if you complete the Motorcycle Safety Foundation's Basic Rider Course (BRC). To qualify for the waiver, the course must be given by a provider who is certified by the Motorcycle Safety Foundation (MSF) and approved under the New York State Motorcycle Safety Program. For information about the nearest course, visit [www.nysmssp.org](http://www.nysmssp.org)  or call MSF at 1-800-446-9227 or 1-518-384-0045.

### REGISTRATION, INSPECTION, INSURANCE

Unlike most other motor vehicles, motorcycles are registered for one year rather than two, and all motorcycle registrations expire on April 30.

Motorcycles must be inspected at least once every 12 months at a station licensed by the DMV to perform motorcycle safety inspections. The station will display a yellow and black sign reading "Official NYS

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Nys Dmv Motorcycle Manual : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
