This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners make judgements on answers. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have constituted the confidentiality of alternative answers.

Marks schemes must be read in conjunction with the question papers and the report on the examination.

© CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2010 question papers for most IGCSE, GCE, Advanced Level and Advanced Subsidiary Level subjects and some Ordinary Level subjects.
