Don't let a cancer diagnosis fill you with feelings of fear, panic, and helplessness. Take back your power with **Cancer Survival Guide**. **Obamacare Survival Guide** Betty Macroal, 2013-11. The Patient Protection and Affordable Care Act is the most significant overhaul to the health care industry in decades. It includes unprecedented reforms to the American health care system. The implementation of this new health care law, otherwise known as Obamacare, is at the height of concern for many who still don't understand its implications. Among the sea of new information to sift through, there are also misconceptions about the expectations and implementations of this law. Whether you need health coverage or have it already, you may be concerned about the new regulations and how they will affect you. Many low to middle income Americans will have access to more affordable health insurance, but those making above 400% of the federal poverty level will likely pay more. Although the law has been rolled out over several years, the most notable changes take effect in January of 2014. Included in these changes are rights and protections for you, the consumer. These protections do not apply to every insurance policy equally. This guide is designed to help you navigate the changes in policies and the new requirements for individuals and businesses. We'll explain the changes being implemented, and you'll discover if you qualify for reduced premiums, what will happen if you select not to purchase health care, and how to make compare plans and policies in your state. **ObamaCare Survival Guide** Bartholomew Okonkwo, 2013-01-19. This new guide provides a more objective and less partisan, easy to read guideline to the law than the highly advertised Nick Tate's **ObamaCare Survival Guide**. **ObamaCare Facts**. On Tuesday, October 1, 2013, the Affordable Care Act's health insurance exchanges or marketplaces opened for business. And what that means for millions of uninsured Americans is they'll need to start shopping or prepare to face a fine. But many are still left with some

very basic questions Primarily What are the exchanges and how do they work This collection gives you a more objective and less political easy to read guide to the law helping readers understand the basics of the ObamaCare health care plan and bill so you can decide for yourself what you think of ObamaCare based on the facts and not the News Radio TV opinions It serves as a valuable resource for those currently insured those who are not and the tens of millions of seniors youth business people and others who will be affected by the new law *Obamacare Simplified* Zephyros Press,2013-11-14 ObamaCare is a complex law that will affect every single American Everyone has an opinion about ObamaCare but few people actually understand how the Affordable Care Act works ObamaCare Simplified navigates you through the intricacies of the health care law and explains what it means for you Whether you are satisfied with your present insurance or seeking to get insured ObamaCare Simplified informs you of your rights presents the facts and will help you make well informed decisions when it comes to your health care plan ObamaCare Simplified provides an easy to follow guide to the Affordable Care Act and what you need to know offering An overview of the goals and structure of ObamaCare and how it changes the current health care system A how it works section that explains the individual mandate insurance exchanges and ObamaCare funding An ObamaCare timeline that provides a year by year breakdown of the law s implementation and what you need to know Spotlights on what ObamaCare means for you which explore the different impact of the law on various groups including senior citizens immigrants small business employers employees uninsured individuals and more Information on how ObamaCare affects individuals depending on age income and employment status Taking care of your health should be your most vital priority ObamaCare Simplified is your complete guide to understanding how ObamaCare works and what it means for your health care **ObamaCare Survival Guide** Bartholomew Okonkwo,2013-07-16 As changes to our health care system are being implemented many consumers business owners human resources professionals and insurance brokers are assessing what the Patient Protection and Affordable Care Act PPACA commonly known as health care reform means for them The new health law contains a number of provisions that are changing the rules of health care for consumers This book provides easy to understand comparative information to help consumers make the best decisions in the marketplace
